

SQUAW MOUNTAIN MASSACRE

FAST DRAW

John McCrea killed three men in a shootout. He wasn't proud of it, but that didn't keep folks from giving him a wide berth. So McCrea headed north from New Mexico, trying to outrun his reputation—and ran straight into the biggest trouble of his life...

Accused of killing an old prospector to learn the location of his Squaw Mountain gold mine, McCrea is about to hang for murder. But he won't die easy. McCrea reaches for iron and a fast horse—and gallops into the crossfire of the...Squaw Mountain Massacre.

Third in the *Tales of the Old Wild West* series by prolific western author Doyle Trent. The Wild West. If the elements, rattlers, coyotes, and Indian's didn't kill you...the person sitting next to you in the saloon just might...just for the hell of it. This series is presented as self-contained standalone story novels that do not have to be read in any particular order. It gives readers a glimpse into what individuals from all walks of life encountered as they traversed the untamed American western landscape seeking fortune, glory, a new start, or keeping one step ahead of the law.
