Squires Daughter

Ann Barker

Squires Daughter:

The Squire's Daughter Silas K. Hocking, 2022-09-16 Set against the backdrop of the pastoral English countryside Silas K Hocking's *The Squire's Daughter* weaves a poignant narrative that explores the complexities of class, love, and societal expectations in the late 19th century. The novel is richly characterized by its evocative prose and vivid descriptions, drawing the reader into the lives of its characters as they navigate the intricate web of their relationships. Hocking's literary style reflects the influences of Victorian realism, highlighting moral dilemmas and the emotional upheavals faced by individuals situated within a rigid social hierarchy. Silas K Hocking, a prominent figure of the late Victorian literary scene, was deeply influenced by his upbringing in a rural setting and his experiences as a self-made man. His keen observations of social stratification and his understanding of human emotions instilled in him a profound desire to challenge societal norms through literature. Hocking's own tumultuous journey, marked by a passion for reform, underpins the thematic depth of *The Squire's Daughter*, making it a notable reflection of his era's struggles and aspirations. Readers seeking an insightful exploration of human relationships within the context of social constraints will find *The Squire's Daughter* an essential addition to their literary repertoire. Hocking's masterful storytelling and richly drawn characters invite reflection on enduring themes of love and sacrifice, making this novel a timeless piece that resonates with both historical and contemporary audiences.

The Squire's Daughter Silas Kitto Hocking, 1906 The voice was soft and musical but the tone was imperative. I say young man, open that gate. The young man addressed turned slowly from the stile on which he had been leaning and regarded the speaker attentively. She was seated on a high stepping horse with that easy grace born of long familiarity with the saddle and yet she seemed a mere girl with soft round cheeks and laughing blue eyes. Come wake up, she said in tones more imperious than before and open the gate at once. He resented the tone though he was charmed with the picture and instead of going toward the gate to do her bidding he turned and began to climb slowly over the stile. She trotted her horse up to him in a moment her eyes flashing her cheeks aflame. She had been so used to command and to prompt obedience that this insubordination on the part of a country yokel seemed nothing less than an insult. You dare disobey me, she said her voice thrilling with anger. Of course I dare, he answered without turning his head. I am not your servant. The reply seemed to strike her dumb for a moment and she reined back her horse several paces. He turned again to look at her then deliberately seated himself on one of the posts of the stile.

The Squire's Daughter Archibald Marshall, 1919 [The Squire's Daughter \(Classic Reprint\)](#) Archibald Marshall, 2015-07-13 Excerpt from *The Squire's Daughter* I Recollect the time said the Squire when two women going to a ball were a big enough load for any carriage. You may say what you like about crinolines but I've seen some very pretty women in them in my time. There were three people in the carriage passing slowly up the Mall in the string with little jerks and progressions. They were the Squire himself, Mrs Clinton and Cicely and they were on their way to a Court Ball. The Squire big florid his reddish beard touched with grey falling over the red and gold of his Deputy Lieutenant's

uniform sat back comfortably beside his wife who was dressed in pale lavender silk with diamonds in her smooth grey yellow hair She was short and rather plump Her grey eyes looking out on the violet of the night sky the trees and the crowd of hilarious onlookers who had not been invited to Buckingham Palace had a patient and slightly wistful expression She had not spoken since the carriage had left the quiet hotel in which they were staying for their fortnight in London About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
