*Enacted Relations* Franca Tamisari, 2024-01-05 The Yolngu Indigenous people in the Northeast Arnhem Land of Australia respond to neo colonial challenges by continuing to affirm their political autonomy and transmit Yolngu Law which are ways of knowing and being with the younger generation They deal with non Indigenous institutions through participation of bodies language things images of movement and notions of mutual care feelings and accountability This book explores the Yolngu relational ontology and epistemology in the context of everyday practices ritual ceremonies bicultural education vernacular Christianity and the production of popular music [Explaining the Reasons We Share](#) Mark Andrew Schroeder, 2014

Normative ethical theories generally purport to be explanatory to tell us not just what is good or what conduct is right but why Drawing on both historical and contemporary approaches Mark Schroeder offers a distinctive picture of how such explanations must work and of the specific commitments that they incur According to Schroeder explanatory moral theories can be perfectly general only if they are reductive offering accounts of what it is for something to be good right or what someone ought to do So ambitious highly general normative ethical theorizing is continuous with metaethical inquiry Moreover he argues that such explanatory theories face a special challenge in accounting for reasons or obligations that are universally shared and develops an autonomy based strategy for meeting this challenge in the case of requirements of rationality [Explaining the Reasons We Share](#) pulls together over a decade of work by one of the leading figures in contemporary metaethics One new and ten previously published papers weave together treatments of reasons reduction supervenience instrumental rationality and legislation to paint a sharp contrast between two plausible but competing pictures of the nature and limits of moral explanation one from Cudworth and one indebted to Kant A substantive new introduction provides a map to reading these essays as a unified argument and qualifies their conclusions in light of Schroeder's current views Along with its sister volume [Expressing Our Attitudes](#) this volume advances the theme that metaethical inquiry is continuous with other areas of philosophy **Sharing Dreams Across Colorful Lands** Olivia

Jane, 2025-06-03 [Sharing Dreams Across Colorful Lands](#) is a heartwarming tale that celebrates the beauty of diversity unity and shared experiences Follow a group of curious children as they journey beyond their familiar streets to explore new cultures traditions and dreams Along the way they meet new friends who teach them the value of curiosity creativity compassion and respect for all people regardless of their differences Through vibrant festivals heartfelt stories and magical adventures the children discover that every dream no matter how big or small is a vital part of the human story This inspiring book encourages readers to celebrate their own heritage while eagerly embracing the rich traditions of others It highlights the virtues of friendship kindness and understanding in a world that is united through diversity and shared dreams

[Whirling Feathers of the Sacred Court](#) Tiffany Blackwell, 2025-06-07 When curious twins Kiyomi and Arven uncover a feathered mask in their grandmother's attic they're swept into the heart of the Sacred Court a hidden realm where dancers

honor temple guardians through graceful spins and symbolic poses Under the kind tutelage of Avrenna they learn the language of plumes beads and rhythm discovering dances inspired by birds in flight whispering trees and flowing rivers As they navigate rival factions and mend bygone grudges the twins show that movement can heal old wounds Whirling Feathers of the Sacred Court is a vibrant tale of family forgiveness and the magic woven when feet and hearts move together
