[The Ghost of the Tree](#) Caitlind L. Alexander, 2015-01-03 I had found it This house was the perfect place to write the great American novel I tumbled into bed anxious to start the next day Within half an hour I was awake again The sounds were back I got up and peered out the window That's when I saw it In the ghostly light of a half moon shining through the darkness I saw a young girl chopping at the trunk of a huge oak tree behind the house She was only about five or six years old wearing a tattered dress that was soaked in the rain The rain masked her tears but I could see by the expression on her face that she was crying With a small ax that was more like a hatchet she was chopping and chopping at the huge trunk of the tree Why is the child chopping at the tree and what secrets does it hold inside Find out in this chilling ghost story Ages 9 and up LearningIsland.com believes in the value of children practicing reading for 15 minutes every day Our 15 Minute Books give children lots of fun exciting choices to read from classic stories to mysteries to books of knowledge Open the world of reading to a child by having them read for 15 minutes a day
