## **The God File:**

**The God File** Frank Turner Hollon,2003-08-27 Gabriel Black finds himself sentenced to prison for life without the possibility of parole for a murder he did not commit and in his hopelessness starts a file to store evidence of the existence of God

*The God File* Frank Turner Hollon,2002 In this dark and honest novel Gabriel Black finds himself sentenced to prison for a murder he did not commit As he questions God s existence in one of the darkest corners of the world Gabriel creates a file where he stores any evidence of the divine no matter how unseemly

[The God Files](#) Calvin Robert Schoonhoven,2015-11-09 I approach this writing with some hesitation There is much to be gained in such an effort but also much to be lost This will be clear as we proceed However it must be forthrightly recognized that there is no heroism in such a revision of thought When we have to do with religious commitment it is not heroism that energizes a change in position and commitment but rather a tenacious use of reason to acquire truth This is not to say that a departure from a faith structure to a non God position is easy or to be taken lightly It costs quite considerably

[The God File](#) Deryck Hunte,2023-09 The God File empowers us to become storytellers of our own lives capturing the essence of each season and recording the remarkable ways in which God s grace guidance and intervention manifested Through the act of journaling we crystallize these narratives creating a testament to His continuous presence and the transformative impact He has on every chapter of our journey Within the pages of The God File we delve deep into the heart of our experiences preserving not only the joyful and awe inspiring instances when God s hand was evident but also the moments of testing and tribulation that ultimately led to our growth and strength By meticulously documenting these details we construct a source of comfort for times of uncertainty allowing us to revisit the profound truth that God s unwavering presence will never abandon us regardless of the challenges we face Indeed as the eyewitness of God s actions in our lives we hold an uncontestable account of His presence and interventions that no one can refute Our personal experiences stand as a testament to His undeniable impact and unfailing love

[Southern Bound](#) John S. Sledge,2013-03-15 Southern Bound represents a running conversation on books writers and literary travel written for the Mobile Press Register Books page from 1995 to 2011 by John S Sledge The collection includes more than one hundred of the best pieces culled from Sledge s total output of approximately seven hundred columns Numerous classic authors are celebrated in these pages including Homer Plato Gibbon Melville Proust Conrad Cather and Steinbeck as well as modern writers such as Walter Edgar Tom Franklin and Eugene Walter While some of the essays are relatively straightforward book reviews others present meditative and deeply personal perspectives on the author s literary experiences such as serving on the jury in the play version To Kill a Mockingbird spending the night alone in a Jesuit college library s venerable stacks rambling through funky New Orleans bookshops talking to Square Books owner Richard Howorth while overlooking the Oxford Mississippi courthouse rereading Treasure Island on the shores of Mobile Bay and remembering a beloved father s favorite books Engaging and spirited Southern Bound represents the critical art at its most

The works include virtual and augmented reality pieces 3D printed sculptures digital photography and digitally enabled performance pieces and installations and span the late 1990s to the present This essay is an introduction to religion and the digital arts and while no single conclusion can be drawn from such an expansive and diverse field the reassertion of the religious and theological importance of the body and emotions in the face of digital technology emerges as a recurrent theme
