**The God Makers** Ed Decker, Dave Hunt, 1984 Christian Library of Lancaster Collection      **The Truth about "the God Makers"** Gilbert W. Scharffs, 1986      *The God Makers II* Ed Decker, Caryl Matrisciana, 1993 A decade ago the groundbreaking movie and book *The God Makers* caused mayhem within the Mormon empire resulting in a modification of several of the religion's supposedly unchangeable doctrines *God Makers II* documents the surprising metamorphosis of Mormonism and exposes the side of the sect that TV promotions don't show      **The God Makers** Richard C. Cheatham, 2009-07-13 A disembodied spirit that actually was encountered by the author and an informed view of the development of the church blend to create a tale of mind and mystery that challenges traditional views of church doctrines and authority The author readily acknowledges that many people may not believe the story He admits that he had difficulty believing it even while he was living it Yet he insists that he tells it precisely as it occurred Other he says because of their life experience will have no difficulty in accepting and following the tale At the root of the theological dialogue that runs throughout the story is the question What gives a minister or priest the right to proclaim a greater understanding of Deity than a working person who has dealt with and reflected upon the complexities of life In doing so the author who holds a doctorate in church history lifts many little known facts about the development of the early church The open minded spiritual seekers will find this book a delight      **The Godmakers** Frank Herbert, 2013-04-21 An interstellar agent discovers his latent powers while investigating a warlike planet in this classic sci fi fantasy by the author of *Dune* It's been centuries since the devastating Rim Wars separated numerous planets from the protection and control of the galactic empire The Rediscovery and Reeducation Service is dedicated to finding these lost planets and returning them to the fold But not all civilizations are eager to cooperate Young and charismatic Lewis Orne is one of the best R R agents in the organization's history But when he identifies troubling signs on the planet of Hamal he is transferred to Investigative Adjustment the agency that specializes in dealing with violent worlds Suddenly Orne is shuttling to the edge of the galaxy to detect any signs of latent aggression among Hamal's population Shortly after making landfall Orne makes a far more astonishing discovery he suddenly finds himself in possession of profound extrasensory powers When these powers become known he is invited to join Hamal's company of gods It is an offer too enticing to refuse Yet being a god comes with certain expectations      *The God Makers* Ed Decker, Dave Hunt, 1997-11-15 This book is dynamite The most powerful thing I've read on the subject Get your Mormon friends to read it Dr John MacArthur Pastor Teacher Grace Community Church CA Mormons claim to follow the same God and the same Jesus as Christians They also state that their gospel comes from the Bible But are they telling the truth *The God Makers* one of the most powerful books to penetrate the veil of secrecy surrounding the rituals and doctrines of the Mormon Church reveals the inner workings and beliefs of Mormonism Through personal interviews and well documented evidence you'll discover the true nature of the Church of Jesus Christ of Latter day Saints and its hidden worldwide agenda      **The**
