## **The Dark Path Dark Wing:**

The Dark Path Walter H. Hunt,2003-02 Walter Hunt s debut novel *The Dark Wing* was favorably compared to *Ender s Game* *Babylon 5* *Honor Harrington* and *C S Forester* and the story isn t over yet Man and zor once sworn enemies engaged in a mutual campaign of xenocide now live side by side The war is over and Admiral Marais the legendary Dark Wing both Angel of Death and Species Savior is long dead though some of his companions and participants in that great war still survive and have even chosen to live among the zor Now a mystery from the past has become a threat to the present when an unholy menace jeopardizes both humans and zor alike Whole space fleets have disappeared with survivors stricken mad And now man and zor alike must join forces to meet this adversary head on *The Dark Wing* Walter H. Hunt,2002-11-18 The zor is just one of the alien races that humanity encounters when it travels to the stars and from the very first meeting it has been all out war For many years the conflicts have been sporadic usually ending with an Earth concession and a treaty But the zor does not respect mankind and has no any intention of honoring the agreements When the zor decide to mount a surprise attack against human colonies the normally self absorbed government of Earth realizes that something must be done before it is too late A controversial scholar by the name of Marais is brought in A nonmilitary man he has spent his entire life studying the zor and claims to have a plan to deal with them once and for all With so few options remaining Marais is put in charge of the battlefleet Earth just wants the threat neutralized and would be happy with a stalemate but Marais has other ideas He believes himself to be the mythic Dark Wing destined to exterminate the zor The Dark Crusade Walter H. Hunt,2006-05-30 *The Dark Path* introduced a new alien force into the delicate balance of power This force was the actual puppetmaster of the human zor war and now wishes to bring both worlds under its madness inducing shadow *The Dark Ascent* brought into focus a secret conspiracy that is disrupting the balance of power on both a military and metaphysical level But the same ancient philosophy of the zor race that prophesized the Dark Wing has also foreseen a hero that will meet the new menace a hero now mystically embodied in a rebellious space commodore by the name of Jackie Lappierre Now in *The Dark Crusade* as armadas clash and outposts fall the overly confident alien menace is forced to confront a zor human alliance that has been warned their covert and insidious plans of infiltration now exposed but all is not as it seems to be The vuhl menace may not be the ultimate enemy and the all powerful puppetmasters that have lurked in the shadows have entered the endgame where the mysteries of alien prophecies may have already determined the outcome Though victory is hardly attained by either side in *The Dark Crusade* the page turning and thought provoking climax will forever alter the fate of sentient life in the galaxy The Dark Ascent Walter H. Hunt,2005-08 Walter Hunt s debut novel *The Dark Wing* was favorably compared to *Ender s Game* *Babylon 5* *Honor Harrington* and *C S Forester* The publication of the second volume *The Dark Path* was heralded by *Analog* as a quest that may well prove science fiction s version of *The Lord of the Rings* *The Dark Ascent* The war with the zor is long over and Admiral Marais the legendary Dark Wing is long dead though some of his

companions on that campaign of xenocide still remain and in the alien philosophies of the past their might exist man's hope for salvation in the very near future The Dark Path introduced a new alien force into the delicate balance of power one that was the actual puppetmaster of the human-zor war and now wishes to bring both worlds under its madness-inducing shadow But the same ancient philosophy of the zor race that prophesized the Dark Wing has also foreseen a hero that will meet the new menace a hero now mystically embodied in a rebellious space commodore by the name of Jackie Lappierre As armadas clash and outposts fall the overly confident alien menace is forced to confront a zor-human alliance that has been warned their covert and insidious plans of infiltration now exposed though victory is hardly ascertained for either side in The Dark Ascent

NEW ENTRY IN THE DRAGON AWARD WINNING ARCANE AMERICA SERIES from New York Times best-selling alternate history master Eric Flint The passage of Halley's Comet in 1759 is catastrophic The comet appears to strike the Earth sundering the New World from the Old A chain of mountains rises in the Mid-Atlantic No ship from the Old World arrives in America No ship from the New World can find a passage to the Old and most who try simply disappear The comet has also unleashed magic forces which soon spread everywhere Slaves begin using powers derived from African witchcraft bringing monsters from that continent into the New World The native tribes begin doing the same Some European settlers devise ways to couple Old World technology with sorcery Kraken in the Atlantic revenants in Jamaica Dry Hands and Floating Heads in the Hudson valley African ogres and worse set loose in the streets of New York Magic of all kinds emerging everywhere most of it poorly if at all controlled The powerful Iroquois Confederacy disintegrates The Onondaga Council Fire is extinguished the Seneca and Cayuga follow their own shaman and war leader and the Mohawks ally with the English For their part the English and the French in North America who had been on the brink of war when the Sundering came now have to contemplate what would once have been unthinkable They must not simply forge a military alliance against the rising dark powers but may even have to unite politically behind the young English prince Edward now the only person of royal blood left in the terrifying world created by the Sundering At the publisher's request this title is sold without DRM Digital Rights Management About Uncharted History and mythology meld admirably leading to a satisfying conclusion This hardy adventure establishes a world ripe for many more rousing stories Publishers Weekly With a light and brisk narrative that propels its heroes through a number of increasingly dangerous situations this combination of alternate history and fantasy should appeal to fans of Eric Flint Harry Turtledove and historical fantasy in general Booklist While delivering plenty of action that approximates the best of cinematic fantasy Hoyt and Anderson also strive for and achieve a kind of gravitas that suitably reflects the majesty of an untrammelled continent Their descriptions of raw nature and its emotional repercussions on the humans are subtly poetic without being overblown The native tribes are depicted in authentic ways especially the people of Sacagawea The characterization of all the cast members is deep and revelatory of human nature There is also humor amidst the seriousness

Anderson and Hoyt's prose is a clear-eyed sturdy naturalism meshed with flights of vivid unreality filled with not only slambang adventures but also a kind of rational optimism that has become rare in genre works these days Hoyt and Anderson a kind of de Camp and Pratt for the twenty-first century convey these ideals without lectures or sermons embodying them in principled people doing exciting things Locus About Eric Flint This alternate history series is a landmark Booklist Eric Flint's 1632 universe seems to be inspiring a whole new crop of gifted alternate historians Booklist reads like a technothriller set in the age of the Medicis Publishers Weekly About Walter H Hunt A compelling and immersive novel in which every word feels authentic and every chapter draws the reader deeper into the dark and terrifying power of the mind New York Journal of Books
