The Day Of The Rope:

The Day of the Rope Devon Stack,2018-09-14 The Day of the Rope is a fictional tale about what can happen in a country that has rejected its heritage and descended into degeneracy and decadence A handful of the inhabitants discover the true power behind the ruling class and the methods they use to remain above the law Feeling like strangers in the land of their forefathers Ethan and Wayne navigate the ethical minefield of violent revolution as they try to reclaim their nation from those who have subverted it *The Day-Star* ,1847 *The Day of Wrath* Mór Jókai,1900 *A Night on the Ground, a Day in the Open* Doug Robinson,1996 This title is currently available for printing and distribution We would like to cancel that since we are reversing the rights to the author and will no longer want it sold under our account **The Day of Resis** Lillian Frances Mentor,2022-04-06 Excerpt The following letter and document were the first causes of the long journey and strange adventure Dear Miss Cameron You will probably be much surprised to hear from me in this out of the way place but knowing the pleasure you take in everything pertaining to Africa I thought you might be interested in a matter which came before my notice recently Some months ago I joined a hunting party bound for the interior of Africa and on our return march at Rehenoko we fell in with another caravan bound for the coast Having a common destination Zanzibar we travelled together An Abyssinian Sedai by name was in charge of this caravan He is a large powerful man and very intelligent I often talked with him during the long marches and one day he told me that he had on this trip come across a strange manuscript a part of which he had been able to decipher but some words of which he could not make out He asked me to help him decipher the difficult phrases so that evening after everything had been made snug for the night Sedai produced a piece of goat skin on which was inscribed the following strange tale Name Philip Harding English left England July 6 1801 Zanzibar February 16 1802 expedition just left Bagamayo myself and nine other sailors started to overtake it on 26th lost our way wandered long and far hostile tribes fight four men killed others escaped three die with fever reach mountains one man killed by lion discover opening into mountain make torches and enter companion starved discovered line of broken stones followed these found bridge crossed this followed stones again found secret door Land of On people thought me from another planet lived in temple strange people no knowledge or connection with outside world highly civilized in their way have strange Day of Resis mysterious ceremonies on this day people never mention it day sacred here nineteen years one month and sixteen days made escape looked five days for opening key removed stone set in cliff behind palm tree under eagle s rock mountain lifted lever seen in spring rock door turned giving time to pass through passed into cave crossed bridge dropped torches in lake am lost exhausted starving if document ever found write friends growing weaker can write no mo Here the writing ended The first part or that part which had been written before entering the cave was in regular lines but the last was evidently written after entering the dark cave or passage as the characters were scattered and very irregular Sedai intends placing the matter before the next party who are about to enter the interior and have them look up the mysterious cave and land He says that

the old man of whom he got the manuscript is still living and knows the entrance to the cave in which he found the body of Harding still warm and on it this strange document *The Day of the Crescent. Glimpses of Old Turkey by G. E. Hubbard,...*
