The Deadly Innocents:

The Deadly Innocents Muriel GARDINER,1985 **The Deadly Innocents** Muriel Gardiner,1976 Anne Perry and the Murder of the Century Peter Graham,2013-03-20 On June 22 1954 teenage friends Juliet Hulme better known as bestselling mystery writer Anne Perry and Pauline Parker went for a walk in a New Zealand park with Pauline s mother Honora Half an hour later the girls returned alone claiming that Pauline s mother had had an accident But when Honora Parker was found in a pool of blood with the brick used to bludgeon her to death close at hand Juliet and Pauline were quickly arrested and later confessed to the killing Their motive A plan to escape to the United States to become writers and Honora s determination to keep them apart Their incredible story made shocking headlines around the world and would provide the subject for Peter Jackson s Academy Award nominated film Heavenly Creatures A sensational trial followed with speculations about the nature of the girls relationship and possible insanity playing a key role Among other things Parker and Hulme were suspected of lesbianism which was widely considered to be a mental illness at the time This mesmerizing book offers a brilliant account of the crime and ensuing trial and shares dramatic revelations about the fates of the young women after their release from prison With penetrating insight this thorough analysis applies modern psychology to analyze the shocking murder that remains one of the most interesting cases of all time **When Kids Kill** Jonathan Paul,2011-10-31 Jonathan Paul goes behind the sensationalist headlines of child killers to investigate why these crimes happen He examines child homicide in today s violent confusing world and contextualises it against the cruel unforgiving retribution of yesterday Children are increasingly experimenting with drugs and committing offences but there are those who commit the worst possible crimes to end another person s life before their own could properly have begun The cases are shocking but sometimes the path towards them is even more so This is a fascinating exploration of disturbing events aimed at discovering what happens when childhood is trodden underfoot and when and why kids kill **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1977 **Deadly Innocence** Scott Burnside,Alan Cairns,2008-10-22 This true crime expos reveals a chillingly intimate portrait of the newlywed serial killers who preyed on schoolgirls in suburban Niagra Falls Karla and Paul seemed like a picture perfect couple but their wholesome smiles and charming good looks hid a sinister reality Together they abducted sexually tortured and murdered innocent schoolgirls gleefully videotaping their evil acts When their vicious crimes came to light they became known as the Ken and Barbie Killers Billed as the crime of the century in Canada this case has received a great deal of media coverage on both sides of the border Deadly Innocence presents an inside account of their life and crimes through exclusive interviews with their closest friends It includes eight pages of photos **Parker & Hulme** Julie Glamuzina,Alison J. Laurie,1995 Juliet Hulme and Pauline Parker were teenagers in New Zealand ages 15 and 16 when in June 1954 they killed Pauline s mother The murder resulted in a sensational court case extensive local and international media coverage and a public association of lesbianism with evil insanity and extreme violence In 1991

two New Zealanders published Parker Hulme A Lesbian View By zeroing in on the circumstances and significance of the case beyond the mad or bad sound bites bandied about almost 40 years earlier the authors exposed the issues of sexuality and social control classism homophobia racism within which the headlines were mired After the release of Heavenly Creatures the successful movie based on the murder case Juliet Hulme was outed as the well known mystery writer Ann Perry alive and well and living in Scotland A second furor erupted as the now 56 year old Hulme Perry disclaimed any memory of a lesbian involvement with her cohort
