*The Decoration of Leather* Georges de Récy,1905      [The Decoration of Leather](#) Georges de Récy,1905      **The Decoration of Leather** Maude Nathan,2016-05-19 This vintage book contains a detailed and practical guide to decorating leather Profusely illustrated and containing many examples of leather decoration from various sources this volume will be of considerable utility to those with a practical interest in leather working and decorating Contents include The Decoration of Leather in the Past Tools and Leather Methods of Working in Leather Leather Mosaic Dyes Patines and Gilding The Choice of Design and Colour Leather Hangings an Furniture Some Extracts from the Report of the Committee on Leather for Bookbinding Appointed by the Council of the Society of Arts February 1900 et cetera Many vintage books such as this are increasingly scarce and expensive We are republishing this volume now in an affordable modern edition complete with a specially commissioned new introduction on leather crafting First published in 1905      [The Decoration of Leather](#) Georges Recy, Maude Nathan,2014-11-03 The following remarks without attempting a description in detail of the different phases through which the art of decorating leather has passed since its origin in primitive times deal with the treatment of leather solely from the decorative point of view the present volume being limited to the consideration of this aspect of the subject In all ages man has sought to develop to their fullest extent the possibilities of splendour in the materials of his dress and an important place in the wardrobes of our early ancestors was filled by skins shorn of hair thus lending themselves easily to decoration in many different ways The nomadic races described to us as at first riding their horses barebacked to the conquest of the West soon adopted ornamental trappings more suited to their position as conquerors as shown by the marvellous mosaics of pique leather which from an early date constituted the foundation of the war like equipment of the Tartars and Moguls      *The Decoration of Leather* Oliver Shank & Associates,2004-12-01 Republication of the classic book on leather decoration by Georges de Recy Originally published in French in 1903 translated into English by Maude Nathan and republished in 1909      [The Decoration of Leather](#) Maude Nathan,2015-08-04 Excerpt from *The Decoration of Leather* From the French of Georges De Recy In a preface which is omitted from this translation the author claims for his work a place between the books dealing solely with the history and development of the art of working in leather and those of which the object is to impart a knowledge of the technique of its various processes to amateurs who may be unable or unwilling to undertake a regular course of instruction He points out that leather in its adaptability to many different kinds of treatment is a material eminently suited to the interpretation of the style of decoration known as modern art In the French edition there are numerous reproductions of examples of leather decoration and of ornament intended for adaptation to leather work In the following translation these illustrations and also a short chapter referring to them are omitted and some examples of leather work derived from various English sources are substituted The text of the work has been generally somewhat abridged The fact that there are many technical and other terms in French that have no exact equivalent in our own language

has rendered a free translation desirable but the meaning of the original text has been carefully preserved About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
