Olukoya, 2014-06-25 There are secrets to everything There are secrets the enemy does not want you to have Uncovered serpent is a powerless serpent The author unmasks the enemy **The Mystery of Prayer** Dr. D. K. Olukoya, 2019-04-08 THE MYSTERY OF PRAYER There are various realms of prayer When you get to an uncommon realm your prayers will begin to obtain results in an amazing way Prayer is one of the deepest mysteries God does not do anything without prayer Prayer is what triggers the acts of God God will not do anything except what is activated through prayer God also does everything in the life of humanity and the world through prayer Prayer is therefore a catalyst that makes all things possible This book will give the principles to follow if you want to get results through prayer **The Mystery and the power of prophetic prayer, Understanding how to pray prophetically** Akwasi Acheampong , 2023-06-24 This book takes you on a journey of understanding the dynamics and the mechanism of praying prophetically in spiritual warfare It is birthed out of my experience as an intercessor and an individual with a passion for prayer and in strategic spiritual warfare Also this book is propelled by the burden I carry in my spirit and soul as well as the challenges I have encountered over the years and through the period of prophetic intercessions by dealing with my background issues I am of the conviction that I am a product of prayer prayer has been the necessity for my survival over the years Over the years in my growth as a child of God I have realized that a prayerful man is a very prophetic man in that God is a speaking God and His delight is that we will have constant fellowship with Him and know his intent concerning every aspect of our lives All this is because of His love for humanity therefore lovers of God become lovers of the prophetic *The Chinese Recorder and Missionary Journal* , 1902
