*Freemasonry and Rudolf Steiner* N.V.P Franklin, 2020-10-16 Today some six million Freemasons around the world continue to perform their rituals regularly an enormous legacy of spiritual endeavour kept largely in secret In Britain alone there are over 7 000 lodges with a quarter of a million members What is this wealth this appeal and how did the philosopher and spiritual scientist Rudolf Steiner reinterpret or reconstruct Freemasonry s time worn legacy Unless one is a Freemason the masonic world with its arcane conventions and language remains largely unknown an obscurity that is almost impossible to fathom Yet understanding its traditions and style are invaluable when approaching Goethe Mozart Herder Lessing and Novalis as well as Rudolf Steiner Steiner himself renewed the Royal Art of Freemasonry from 1906 to 1914 through his ritual work known as *Mystica terna* When Steiner invigorated education medicine the social order and religion he fully intended that committed and professional individuals should assume responsibility for the new initiatives But this was not the case with the Masonic Order he founded whose leadership he took upon himself Even the celebration of his passing in 1925 led by Marie Steiner was entirely Masonic in character In the context of continuing resistance and misrepresentation N V P Franklin uncovers the living heart of Freemasonry and reveals why it was and still is immensely relevant to anthroposophy With profound research into its older rituals and teachings this detailed and conscientious study is a unique contribution to comprehending freemasonry and anthroposophy both historically and in the present day

Light ,1927 The Secret Tradition in Freemasonry and an Analysis of the Inter-relation Between the Craft and the High Grades in Respect of Their Term of Research, Expressed by the Way of Symbolism Arthur Edward Waite, 1911 Secret Tradition in Freemasonry Aurthur Edward Waite, 2010 The Bavarian Illuminati René Le Forestier, 2022-02-15 Details the rise and fall of this famous and infamous Order including its penetration of Bavarian society and its destruction by the Bavarian government Explains the Bavarian Illuminati s grades rituals ceremonies and fundamental philosophies and examines the leaders of the Order Contains the only surviving record of documents that were destroyed during the two World Wars The Bavarian Order of the Illuminati is the most celebrated secret society in the world Though officially lasting only 11 years the powerful spell and shadow cast by the Illuminati still looms in the present day where its influence can be seen in current conspiracy beliefs and actions by powerful individuals working in the shadows The original Order of the Illuminati was founded by Bavarian professor Adam Weishaupt in 1776 Although the order was banned and brought down by the Bavarian Elector in 1787 when

he became aware of the extent to which it had infiltrated the courts schools and his own administration its legend and deep influence lives on to this day Charting the rise and fall of this infamous order this book first published in French in 1915 and never before available in English remains the definitive history of the Order of the Bavarian Illuminati It also offers a revealing look at the world that spawned and shaped it a ceaseless ferment of revolutionary and occult ideas and the ceaseless attempts by crown and church to suppress them Other secret societies that shared the stage with the Illuminati during these years include the Templar Strict Observance von Hund s Templar Freemasonry and other Masonic lodges the Illuminati targeted to subvert for their own purposes Many of the documents the author consulted for the writing of this book were destroyed during the two World Wars making this book the only surviving record of many of the order s secrets The author explains the Bavarian Illuminati s grades rituals and ceremonies as well as its fundamental philosophies He paints vivid portraits of the leaders of the order including Weishaupt Baron Knigge and Xavier von Zwack He reveals how Weishaupt early on decided to subvert the existing German Freemason Lodge as a shortcut to gain esoteric hegemony over the occult world all in order to extend Illuminati influence into the society at large and the government The author also provides extensive detail of the order s eventual destruction by the Bavarian government In addition to its revelation of little known secrets of the Illuminati Order the author also sheds new light on much of the occult life of this time including the activities of figures such as Cagliostro and Mirabeau and other active groups such as Freemason chapters the Rosicrucians and the Martinists
