The Devil On The Road:

Devil on the Road Robert Westall, 2023-01-03 Caught in a freak storm John Webster takes shelter in an old barn with weird symbols carved in the doors The landowner offers him a place to stay and John on leave from University takes him up on the offer But it turns out the barn has more history than he first suspected A portal back in time to be precise He meets the beautiful Johanna who is being tracked by the Witch Finder General Modern science says that witches aren't real but then neither are portals back in time so what can John believe John finds himself torn between the past and the present caught in a web of magic mystery suspicion and witchhunts

Beyond the Devil's Road Jeremy Beer, 2024-09-17 The explorations of Francisco Garcés an intrepid Franciscan friar of the eighteenth century led to the opening of the first overland route from Mexico to California produced new knowledge of unmapped terrain and unknown peoples and revived dreams of Spanish imperial expansion *Beyond the Devil's Road* tells for the first time the full story of this extraordinary man's epic life and journey and his critical place in the history of the American Southwest From the moment he took up residence at the lonely mission of San Xavier del Bac in 1768 Garcés stood out among his fellow Spaniards for both the affection he showed the region's Native peoples and his bravery Traveling thousands of miles through modern Arizona California and Nevada to gather information for his superiors and preach to the unbaptized he engaged the Indians of the Southwest with a respect for their ways and customs unprecedented among his peers presaging a new and better model for cultural encounters Along the way he contacted more Indigenous groups than any other missionary of his time often as the first European to do so Garcés also paved the way and served as a guide for the famous expeditions of Juan Bautista de Anza in 1774 and 1775-76 bringing the first Spanish settlers to California before the road he'd helped to open led to his death in the Quechan uprising of 1781 Consulting archives on three continents including previously untapped sources and Garcés's extensive diaries and letters long obscured by unyielding language and handwriting Beer crafts a nuanced and thoroughly engaging account of this incomparable explorer groundbreaking missionary and central actor in New Spain's final sustained effort to expand its dominion into the lands that would become the American Southwest
