## **The Devils Stronghold:**

**Breaking Strongholds of the Devil, Satan** Donald Evans,2023-02-27 The devil s strongholds originated in the spirit realm Satan the devil has many ways of creating and holding a person in a certain condition to benefit his purposes and cause in the world Once he sets his plan it s going to be carried out by the individual regardless of being a Christian believer or nonbeliever it makes no difference He has a way to hold individuals to his cause whether it s delayed or not his method of holding persons under his control is even greater among Christians Why is that Because most Christians believe they are exempt from the devil s strongholds Big mistake No one is exempt from the forces of evil whose strongholds are among the highest level of evil and wickedness in the spiritual realm A person can bind themselves in a stronghold without having any knowledge it s not Satan but their spirit of perception which is as real active and alive as the person themselves for which Satan the devil gets the credit and blame The spirit of perception of the mind is more powerful than the world acknowledges The spirit of perception can hold a person in restraint forever without changing their perception The world does not acknowledge or consider the spirit of perception is the culprit which Satan feeds off and that holds the world the entire world in total darkness Satan is the god of this world and its system of things which he controls because of the world s lack of knowledge of strongholds Most of the world population does not know what a stronghold really represents in all human lives No one is exempt from strongholds which can bind a person until death This book *Breaking Strongholds of the Devil Satan* shall give some light to the world about how strongholds bind persons for lifetimes He or she can be set free of any and all strongholds in minutes where others have been held a lifetime and died *Pulling Down Satanic Strongholds* Ikechukwu Joseph, **Break Every Chain** John Eckhardt,2021-06-01 FROM THE BEST SELLING AUTHOR OF PRAYERS THAT ROUT DEMONS Victory over every obstacle is within reach don t settle for anything less The enemy works overtime to keep people bound exhausted and frustrated His goal is to convince believers that God s promises are for everyone but them When they believe his lies they unknowingly partner with him and give him access to their lives This is how a stronghold is formed The enemy has bound God s people up long enough In *Break Every Chain* John Eckhardt reveals twenty five strongholds that commonly hold Christians captive He exposes the enemy s tactics and teaches readers to use the power of the Word to drive the devil out and break the chains that hold them back This book empowers readers to stand upon the Word of the Lord resist the devil break free of bondage and experience the blessings and promises of God This book will help you discover the spiritual forces that could be behind your setbacks failures and defeats You will learn how you may have unknowingly partnered with the devil by believing his lies and you will experience breakthrough as you begin to replace his lies with the truth of God s Word DESTROYING SPIRITUAL STRONGHOLDS James Tarter,2006-05-31 God s mighty promises to us who abide in Christ have been mostly unfulfilled because of strongholds in our hearts In this book we see that God created stability for the spiritual heart by making it very fearful of being changed It naturally and unconsciously protects itself

against perceived dangers including God's work in the heart until it really learns that it can trust Him. It also deceives oneself. This has let the devil manipulate us out of most of our boundless power of staying in Christ. Here we see how experiences and demons can create highly protected strongholds that work against people receiving God's great love and power in Jesus. We also see how to destroy a stronghold in oneself and in others who want to be free. Destroying it includes a good preparation and good follow up to Jesus work of deliverance all help the freedom to last. Therefore this book shows the nature of spiritual warfare which comes with moving into God's mighty provisions for us in Christ. Strongholds Ed Silvano, 2018-08-21

Strongholds are incorrect thinking patterns that form when we listen to and believe the lies of the enemy. When we get trapped in these patterns they drive us into hopelessness and despair. Here bestselling author Ed Silvano gives you a simple process and biblical truths to help renew your mind break the power of strongholds and live victoriously. *The 21st Century Great Awakening* Edward T. Holliday, 2007

The energy power and purpose for a cogent revival and a 21st century great awakening are found in John 17:21. Even today Jesus prays for us to be unified as the Body of Christ. As all Christians are called to be ambassadors for Christ we must present to the world actions for which the spiritually dead will know that we are Christians by our love. Though theologies and styles of worship will be different we must lift up the name of Jesus, proclaim the Good News and work intentionally for racial and denominational unity. These actions are the witness that Jesus proclaims will allow the world to believe that he is the King of kings and the Lord of lords. It is time to let the city on a hill shine. Back cover

**Deliverance Power** Bishop Ben Ugbine, 2020-03-06

DELIVERANCE IS THE KEY TO YOUR BREAKTHROUGHS RECEIVE IT NOW. Deliverance is certainly the key to your breakthroughs and when our lives are heavily affected by the operations of the demonic powers then we will continue to struggle in life and don't understand why we are not making any achievement in life whatsoever. We need to understand that there are demonic powers that have an assignment to hinder people in life and steal their blessings and virtue away from them. Many of the problems that we are facing today are foundational and needs spiritual warfare prayers. They are rooted in our family history and until many of these problems are resolved from their root our lives will continue to go around and round in a circle and preclude us from being what God has designed us to be. We need prayers to rout out demons. One of the biggest problems we have in life is the problem of ignorance and ignorance is the devil's strong weapon of bringing people down. What people don't know is what is holding them in terrible bondage. When you don't understand the intricate analysis of what has bound you then you will become a slave in the hands of the enemy. The first step to your deliverance is to acquire knowledge about your situation and taking the proper steps to release yourself from the entrapments of the wicked ones. God wants you to be free and be blessed but the forces of darkness want to continuously put you in perpetual bondage. We need to understand the different demonic spirits that operate in our families and then be able to break their assignment over our lives. Once the assignment of these demonic spirits is destroyed from us then the power of God would overtake one's life to

release one's blessings We need to understand that every blessing we need in our lives have already been given by God but we need to have the knowledge of what they are and begin to appropriate them in our lives There is indeed a terrible conspiracy in the kingdom of darkness to bound people and lock up all their blessings in demonic storehouses They want people wallow through life without seeing any headway in their lives Our spiritual eyes need to be opened so that we can see the operations of the enemy and destroy all their works and release ourselves from their hands Indeed there are blessings that God has given to you to enjoy in life but because they are hidden in demonic strong houses you cannot lay your hands to them We need to allow the delivering hand of God to reach us and snatch us away from the grips of the enemy When we are delivered from the hands and the grips of the enemy then the heavens become opened unto us and every good thing we desire in our lives will begin to come our way Until that happens you will remain in the hands of the enemy and he would confuse your life They also make you to struggle all through your life and make it to be filled with limitations and stagnation This book is designed to open your eyes to see the way out and make you live a triumphant life In fact discovery leads to recovery and when you discover what has bound you all these years then you will recover Ignorance is a deadly disease and it is a disease that can emasculate one and make one's life to be miserable and devoid of blessings The road to your deliverance starts now and if you re determined to be free from the hands of the enemy you will certainly be free Once every foundational problem which is the root cause of people's problems is discovered then deliverance begins Knowledge is the beginning point of deliverance and what you don't know can kill you and stop you from receiving your full blessings in life My prayer for you is that as you begin to read this book every psychological and spiritual chain that has held you bound all these years will lose its grips from you and you will be free

### **The Devils Stronghold Introduction**

In the digital age, access to information has become easier than ever before. The ability to download The Devils Stronghold has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Devils Stronghold has opened up a world of possibilities. Downloading The Devils Stronghold provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Devils Stronghold has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Devils Stronghold. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Devils Stronghold. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Devils Stronghold, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Devils Stronghold has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students,

researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
