The Devil's Hand Jack Carr,2023-02-07 It s been twenty years since 9 11 Two decades since the United States was attacked on home soil and embarked on twenty years of war The enemy has been patient learning and adapting And the enemy is ready to strike again A new president offers hope to a country weary of conflict He s a young popular self made visionary but he s also a man with a secret Halfway across the globe a regional superpower struggles with sanctions imposed by the Great Satan and her European allies a country whose ancient religion spawned a group of ruthless assassins Faced with internal dissent and extrajudicial targeted killings by the United States and Israel the Supreme Leader puts a plan in motion to defeat the most powerful nation on earth Publisher s description

The Devil's Playground Andrew Bragg,2024-10-15 As America assesses the value of our intervention in Afghanistan and involvement in future foreign wars we must always consider the price Andrew and his friends service was valorous and honorable His authentic perspective of the environment and the eye opening costs to our soldiers is sobering These accounts should be mandatory reading for foreign policy makers and defense department leaders Major General Ret Brian Mennes United States Army Former Fury 6 The Devil s Playground was anything south of the second canal to the men of Charlie Company s 2nd Platoon Two Charlie during their 2009 2010 deployment to the Arghandab River Valley in Afghanistan The valley had been a notorious hot spot throughout history with the Russians unable to maintain a foothold in the 80s and Coalition forces now facing the same problem during Operation Enduring Freedom The Two Charlie paratroopers deployed as part of the 2 508th PIR Two Fury of the 82nd Airborne Division but always seemed to be on their own They started their deployment attached to Canadian forces in Panjwai but were shortly moved into the Arghandab with one of the battalion s biggest Areas of Operation They inherited a bare bones outpost that they worked hard to turn into the defensible position known as COP Tynes while patrolling the grape fields and orchards of the valley Little did they know that when the leaves returned to the valley in the spring so too would the fighting As the fighting picked up in the valley the men of Two Charlie continued to sustain casualties as they fought day in and day out There was never a dull moment in the Arghandab and the fact that Two Charlie had to patrol act as a quick reaction force and secure their outpost on their own ensured that they never stopped The men were constantly brought to their breaking point as their numbers dwindled and the fighting intensified The men all started to believe that they weren t going to make it out of the valley alive The one rule of the valley would be proved time and time again in the end the valley always wins This book shares the story of the men of Two Charlie and their fight for survival in the Arghandab River Valley the Devil s Playground
