Jack the Ripper Paul H Feldman,2018-02-22 The Diary of Jack the Ripper which came to light in 1991 revealed the identity of the world s most notorious serial killer At the time it was widely believed to have been a hoax yet incredibly not one person has managed to prove how it was forged or by whom This argues Paul Feldman is because the diary was genuine Discover how the largest and most detailed investigation on the subject ever to be undertaken led the author through the smokescreen of an official cover up via the Royals and the Masons to the true provenance of the Diary Jack the Ripper s watch and ultimately his

DOLGIN JONES (DANIEL L.),2022 **The Trial of Jack the Ripper** Euan Macpherson,2005 The police investigation uncovered some disturbing details The accused was a small dark haired man who was known to have been violent towards women He had been born and brought up in the Midlands but had moved to the East End of London in the late autumn of 1887 On 21 January 1889 he and his wife travelled by boat to Dundee This meant that he had arrived in London before the start of the Jack the Ripper murders and had left around the same time that they ceased Could this be coincidence people wondered Could it also be a coincidence that the murder in Dundee carried all the hallmarks of a ripper murder In the month before the trial the local newspapers in Dundee began to run sensational stories linking the accused with the notorious Whitechapel murders When the trial opened to a packed courtroom many in the public gallery were wondering if the man standing in the dock was none other than Jack the Ripper himself In this sensational and groundbreaking book Euan Macpherson presents the evidence that the long arm of the law really did catch up with Jack the Ripper in a dingy basement flat in Dundee in the cold winter months of early 1889 *Ripper Diary* Seth Linder,Caroline Morris,Keith Skinner,2003-10-01 I ve got Jack the Ripper s diary would you be interested in seeing it So began the saga of

the Ripper Diary which has intrigued and infuriated both historical researchers and Ripperologists since it first surfaced in 1992 This book traces the history of the diary which has proven to be every bit as mysterious as the Whitechapel murders themselves Ripper Diary The Inside Story offers a major new evaluation of the diary s authenticity and includes extracts from the diary Keith Skinner Seth Linder and Caroline Morris disentangle the history of the diary in a work of literary sleuthing that offers a masterful reassessment of the evidence and a wealth of insight into the personalities involved in Ripper research Whether the diary is one of the most sensational finds of the twentieth century or a brilliant literary hoax Ripper Diary The Inside Story is bound to stir up controversy

Jack the Ripper - Through the Mists of Time Peter Hodgson,2011-08-26 Over a century ago a series of shocking mutilation murders took place in a squalid overcrowded district of Victorian London Five women fell victim to a man driven by rage and violent fantasy The newspapers of the day gave him a chilling nickname a name that evokes images of gas lit foggy streets and a top hatted sinister figure carrying a Gladstone bag From the outset the murderer attained almost mythical status merely by virtue of his name and his uncanny ability to avoid detection The legend of Jack the Ripper was born Peter Hodgson s detailed and entertaining overview of Ripper lore in fact film and fiction analyses the fiend s awesome legacy He explores the institutions and the individuals the Jewish community and their rituals with meat the scandal prone royal family the Victorian police and their simplistic methods of investigation the streetwalkers and their trade This book compares the fiction with the reality of those ghastly events and clearly shows how the real killer has been transformed into a creature of the mind the other Jack the Ripper Examination of the victims mutilations reveals the true nature of Jack s grotesque fantasies This aspect coupled with his elementary anatomical knowledge is used in conjunction with the FBI s appraisal of the case to construct a unique psychological profile From the long list of candidates the author reveals his prime suspect for the role of the world s most infamous serial killer Book reviews online PublishedBestsellers website

Florence Maybrick and Jack the Ripper Kieran James,2017-10-10 The criminal trial of Mrs Florence Maybrick held in Liverpool England during the height of the British Empire 1889 is widely regarded as one of the greatest travesties of justice in British legal history Mrs Maybrick was tried for murdering her husband via arsenic poisoning However the trial

became a morality trial when the learned judge Mr Justice James Fitzjames Stephen linked Mrs Maybrick's demonstrated adultery to her alleged desire to physically remove her husband by administering poison. The jury which pronounced a guilty verdict consisted of twelve untrained and unschooled men who were unable to grasp the technical evidence and were probably unduly influenced by the judge's summing up and by the professional status of one of the medical witnesses for the prosecution. The case is a timely reminder today for an international audience of the fallibility and inherent weaknesses of the legal system and the desperate need to retain Courts of Criminal Appeal within the courts system.
