The Generals:

The Generals Thomas E. Ricks, 2012-10-30 A New York Times bestseller An epic history of the decline of American military leadership from the bestselling author of Fiasco and Churchill and Orwell While history has been kind to the American generals of World War II Marshall Eisenhower Patton and Bradley it has been less kind to the generals of the wars that followed such as Koster Franks Sanchez and Petraeus In *The Generals* Thomas E Ricks sets out to explain why that is In chronicling the widening gulf between performance and accountability among the top brass of the U S military Ricks tells the stories of great leaders and suspect ones generals who rose to the occasion and generals who failed themselves and their soldiers In Ricks s hands this story resounds with larger meaning about the transmission of values about strategic thinking and about the difference between an organization that learns and one that fails

The Generals Winston Groom, 2015 Groom tells the intertwined and uniquely American tales of George Patton Douglas MacArthur and George Marshall These three remarkable men of arms who rose from the gruesome hell of the First World War to become the finest generals of their generation during World War II redefined America s ideas of military leadership and brought forth a new generation of American soldier Against the backdrop of the most dramatic moments of the twentieth century you ll discover new insights into the lives of America s most celebrated warriors

The Generals Per Wahloo, 2013-06-18 From Per Wahl co author with his wife Maj Sj wall of the internationally bestselling Martin Beck series of mysteries comes a political satire told as a court transcript about the court martial of a general gone rogue Time the not too distant future Place a small island in the temperate zone Scene air force headquarters Corporal Edwin Velder is on trial for his life accused of acts against the military government and society As the proceedings unfold we learn of a country s descent into political tyranny a civil war erupted in the face of a secret armed force bringing the current generals to power The military tribunal forces Velder to reconstruct the events battles and final defeat of the island rebellion As the inevitable verdict is pronounced Velder s testimony just might bring to bear yet another political revolution

Sukarno and the Indonesian Coup Helen-Louise Hunter, 2007-05-30 On September 30 1965 six of Indonesia s highest ranking generals were killed in an effort by President Sukarno to crush an alleged coup The events of that were part of a rapidly growing power struggle pro and anti communist factions The elimination of the generals however did little to increase and preserve Sukarno s power though and he was stripped of the presidency in 1967 Hunt s work is a unique and original examination of the events that culminated on that night in September 1965 It is the first detailed account of the Indonesian Coup that reveals the previously unknown workings of the PKI s ultra secret Special Bureau a clandestine organization within the Communist Party that may be the prototype of other similar entities that flourished around the world in the mid 50 s and 60s No such expose of secret communist organizations committed to covert killings of the top military or political leaders of the country has ever been published She establishes beyond any doubt that the PKI under Chairman Aidit s direction using the capabilities of a secret organization within the PKI

that only Aidit and a handful of trusted high level members of the Communist Party even knew about and most importantly acting with President Sukarno's full knowledge and approval planned and then dramatically failed to execute a bold plan to kill the top leadership of the Army and proclaim a new socialist state under President Sukarno's leadership with PKI Chairman Aidit as his proclaimed successor. At the time of the coup government analysts as well as non government scholars were of two minds. Some like the group at Cornell University were convinced that the PKI Indonesian Communist Party had not been involved that the coup was the action mid level army officers against the top leadership. That was the official line at the time. Others were convinced that the PKI alone had planned and executed the coup in its long held desire to remove the pro U S army leadership. No one at the time saw the hand of Indonesia's world famous President Sukarno in the affair.

The Military History of the Spring and Autumn Period and the Warring States Period Li Shi, The book is the volume of The Military History of the Spring and Autumn Period and the Warring States Period among a series of books of Deep into China Histories. The earliest known written records of the history of China date from as early as 1250 BC from the Shang dynasty c 1600-1046 BC and the Bamboo Annals 296 BC describe a Xia dynasty c 2070-1600 BC before the Shang but no writing is known from the period. The Shang ruled in the Yellow River valley which is commonly held to be the cradle of Chinese civilization. However Neolithic civilizations originated at various cultural centers along both the Yellow River and Yangtze River. These Yellow River and Yangtze civilizations arose millennia before the Shang. With thousands of years of continuous history China is one of the world's oldest civilizations and is regarded as one of the cradles of civilization. The Zhou dynasty 1046-256 BC supplanted the Shang and introduced the concept of the Mandate of Heaven to justify their rule. The central Zhou government began to weaken due to external and internal pressures in the 8th century BC and the country eventually splintered into smaller states during the Spring and Autumn period. These states became independent and warred with one another in the following Warring States period. Much of traditional Chinese culture literature and philosophy first developed during those troubled times. In 221 BC Qin Shi Huang conquered the various warring states and created for himself the title of Huangdi or emperor of the Qin marking the beginning of imperial China. However the oppressive government fell soon after his death and was supplanted by the longer lived Han dynasty 206 BC-220 AD. Successive dynasties developed bureaucratic systems that enabled the emperor to control vast territories directly. In the 21 centuries from 206 BC until AD 1912 routine administrative tasks were handled by a special elite of scholar officials. Young men well versed in calligraphy history literature and philosophy were carefully selected through difficult government examinations. China's last dynasty was the Qing 1644-1912 which was replaced by the Republic of China in 1912 and in the mainland by the People's Republic of China in 1949. Chinese history has alternated between periods of political unity and peace and periods of war and failed statehood the most recent being the Chinese Civil War 1927-1949. China was occasionally dominated by steppe peoples most of whom were eventually assimilated into the Han Chinese culture and population.

Between eras of multiple kingdoms and warlordism Chinese dynasties have ruled parts or all of China in some eras control stretched as far as Xinjiang and Tibet as at present Traditional culture and influences from other parts of Asia and the Western world carried by waves of immigration cultural assimilation expansion and foreign contact form the basis of the modern culture of China *The Wisdom of the Generals* William A. Cohen,2001 Resounding pronouncements and reflections from the world s most celebrated generals from ancient times to recent history are presented in this collection that illustrates military lessons that can be applied to everyday life Assignment of Ground Forces of the United States to Duty in the European Area United States. The Generals: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have charmed audiences this year. The Generals : Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
