The Gentleman Of Fifty:

The Gentleman of Fifty and The Damsel of Nineteen George Meredith,2003 *The Gentleman of Fifty and The Damsel of Nineteen (An Early Uncompleted Fragment* George Meredith,2021-12-16 The book *The Gentleman of Fifty and The Damsel of Nineteen* An early uncompleted fragment has been considered important throughout the human history and so that this work is never forgotten we have made efforts in its preservation by republishing this book in a modern format for present and future generations This whole book has been reformatted retyped and designed These books are not made of scanned copies and hence the text is clear and readable *The Gentleman of Fifty* George Meredith,2020-09-28 Passing over Ickleworth Bridge and rounding up the heavily shadowed river of our narrow valley I perceived a commotion as of bathers in a certain bright space immediately underneath the vicar s terrace garden steps My astonishment was considerable when it became evident to me that the vicar himself was disporting in the water which reaching no higher than his waist disclosed him in the ordinary habiliments of his cloth I knew my friend to be one of the most absent minded of men and my first effort to explain the phenomenon of his appearance there suggested that he might have walked in the victim of a fit of abstraction and that he had not yet fully comprehended his plight but this idea was dispersed when I beheld the very portly lady his partner in joy and adversity standing immersed and perfectly attired some short distance nearer to the bank As I advanced along the bank opposed to them I was further amazed to hear them discoursing quite equably together so that it was impossible to say on the face of it whether a catastrophe had occurred or the great heat of a cloudless summer day had tempted an eccentric couple to seek for coolness in the directest fashion without absolute disregard to propriety I made a point of listening for the accentuation of the my dear which was being interchanged but the key note to the harmony existing between husband and wife was neither excessively unctuous nor shrewd and the connubial shuttlecock was so well kept up on both sides that I chose to await the issue rather than speculate on the origin of this strange exhibition I therefore as I could not be accused of an outrage to modesty permitted myself to maintain what might be invidiously termed a satyr like watch from behind a forward flinging willow whose business in life was to look at its image in a brown depth branches trunk and roots The sole indication of discomfort displayed by the pair was that the lady s hand worked somewhat fretfully to keep her dress from ballooning and puffing out of all proportion round about her person while the vicar who stood without his hat employed a spongy handkerchief from time to time in tempering the ardours of a vertical sun If you will consent to imagine a bald blackbird his neck being shrunk in apprehensively as you may see him in the first rolling of the thunder you will gather an image of my friend s appearance **The Gentleman of Fifty and The Damsel of Nineteen; (An early uncompleted fragment)** George Meredith,2023-01-07 Reproduction of the original *The Gentleman of Fifty and the Damsel of Nineteen* George Meredith,2006-10-01 **The Gentleman of Fifty and the Damsel of Nineteen (an Early Uncompleted Fragment)** Meredith George,2016-06-21 Unlike some other reproductions of classic texts 1 We have not used OCR Optical

Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

[The Gentleman of Fifty](#) George Meredith,2010 *The gentlemen of Fifty and the damsel of Nineteen* George Meredith,2023-03-13 What happens when the societal expectations of Victorian England clash with the desires of the heart In *The Gentlemen of Fifty and the Damsel of Nineteen* George Meredith crafts a narrative that delves into the complexities of age love and societal norms Set against the backdrop of 19th century England this novel explores the intricate dance between tradition and personal freedom The story unfolds in a world where social status and reputation hold immense power and where the characters must navigate the delicate balance between duty and desire The central theme revolves around the contrasting lives of mature gentlemen and a young woman on the cusp of adulthood Meredith s keen insight into human nature is evident as he portrays the internal and external conflicts faced by his characters The gentlemen with their established positions and experiences represent the old guard while the young damsel embodies the new generation s aspirations and challenges This dynamic creates a rich tapestry of interactions that highlight the societal pressures and personal dilemmas of the time Through this narrative Meredith invites readers to reflect on the nature of relationships and the societal constructs that influence them The novel serves as a mirror to the era s values questioning the rigidity of social structures and the possibility of change By weaving together elements of romance social commentary and character study Meredith offers a window into the human condition encouraging readers to consider the balance between societal expectations and personal fulfillment In exploring the lives of these characters *The Gentlemen of Fifty and the Damsel of Nineteen* provides a lens through which we can better understand the complexities of human relationships and the enduring struggle between tradition and progress Meredith s work remains a poignant exploration of the timeless themes of love age and societal change
