**The Genuine Jesus** Alan Ross, 1999 The text claims to correct the discrepancies between what is presented in the New Testament and what Jesus actually taught in Palestine The author states that the Gospels of the Bible are the result of recollections and the later interpretations by the New Testament copyists of what they thought Jesus had said and is not the true mouthpiece of God and is at times a stumbling block to acquire a correct knowledge of the truths of God

*A Revival of Hope in the Genuine Christ* Gary R. Goetz, 2013-12-10 What in the world has gone wrong and how will it be set right America is in a moral and economic crisis Political action by itself will not reverse this moral and economic decline In times past Christian revivals occurred before a crisis in American history such as the Revolutionary and the Civil War What were the characteristics of Christian revivals in past history Can a national revival happen again or are we too close to the end times Prophetic events relate in practicality to revival in the church today because the believers hope lies in the future revelation of the genuine Christ History is repeating itself Neo democracy leading to an imperial form of the continuing Roman Empire is the rising form of government today and it will rule at the end of the age Arguments will be given for the identity of the genuine Christ The order of prophetic events will be delineated leading to the genuine new age along with the events that follow such as the rebellion of Satan and the Great White Throne Judgment

**Discover the Real Jesus** Bill Bright, 2004 Who is the real Jesus Everyone

has an opinion from the scholars on a quest for the historical Jesus to the ordinary person on life's journey who thinks of Jesus as a good person. This book addresses the controversy that Jesus by His very nature incited both in His lifetime and still today. Dr. Bill Bright leads us through the various opinions of who Jesus is so we can encounter the authentic Jesus, the Jesus who is very much alive and real today. The Real Jesus of the Four Gospels John Birdseye Atwater, 1921 *The Quest for the Real Jesus* Jan van der Watt, 2013-07-11. The Radboud Prestige Lectures in New Testament 2010 were presented by Prof. Michael Wolter, University of Bonn. His prestige lecture was entitled "Which is the real Jesus?" In this lecture he challenged many of the current views within the historical Jesus research by critically evaluating the approaches in various categories. Afterwards, this lecture was presented to a variety of scholars from different disciplines who approach the problem from their particular perspectives, thus bringing a rich texture of insights apart from engaging critically with Wolter's views. Thus, one can appreciate the role the quest for the historical Jesus plays within a wider framework. This resulted in interesting articles that not only deal with historical but also with philosophical and hermeneutical issues.
