The Gift Angel:

The Gift Angel Airdrie Thomsen,1987 **The Gift Angel** Airdrie Thomsen,1987 Presents angels for each letter of the alphabet *The Gift of an Angel* Marianne Richmond,1997 For every child there is an angel hand chosen in heaven above and sent on a star to earth below to protect teach to love **The Gift of an Angel** Wendy Jane Erlick,2016-05-27 This is a book about angels and angelic verification It contains a true story and a channelled vibration of comfort and love It has been channelled and written to assist with the realignment and the post 2012 great shift we are currently undertaking This is also a book about the process of being able to channel messages and verify them to have faith and surrender It is about being on a spiritual path about finding your life s work about being free but also having fun it is about taking responsibility to be able to laugh at absurdity and not taking all of this too seriously on the one hand and taking it very seriously indeed on the other For being on a spiritual path is a journey to integration and joy a journey in which we are the hero or heroine however unlikely a label that may seem And if it is as serious as that it is also as joyous and wild as that The Gift of An Angel will inspire and assist anyone setting out on their own spiritual journey especially if this includes the desire to connect to angelic realms **The Gift of Angels** Rachel Ann Nunes,2011-06-01 Angela Thornberry is facing the greatest challenge of her life All around her people talk about miracles happening to them and how God acts in their behalf Even the scriptures are full of angels and miracles As she and her family teeter on the brink of losing everything Angela needs one of those angels now more than ever Her faith wavers as everyone around her seems to receive divine help everyone except her Doesn t she too deserve an angel of mercy Does the Lord have a plan for her or has her lifetime of faith been misplaced Then something strange begins to happen and her entire life changes yet again In this fast moving novella Rachel Ann Nunes has given readers a vivid peek into the life of a regular Mormon family facing an impossible trial Or is it impossible The Gift of Angels will not only make you aware of the angels in your life but inspire you to become someone else s angel An inspirational novella a sort of fictional nonfiction that puts me in mind of *The Peacegiver* by James L Ferrell Nunes uses a similar approach to reveal important life principles except the fiction in *A Gift of Angels* is a lot more realistic Loved it The family in *The Gift of Angels* is so real it could be my own I don t normally like nonfiction books but this book has all the perceived value of a nonfiction title with the reading ease of fiction I recommend *The Gift of Angels* to anyone who is going through trials or who has ever asked the question Why me In *The Gift of Angels* Nunes shows a perception that goes deeper than most fictional reads I highly recommend it **The Gift of Stern Angels** Michael Moriarity,1997 **An Unknown Angel's Gift** Cherie S. Blackwell,2023-11-27 As you read this couple s transplant journey story I hope you get as much out of it as I did along the way learning crying laughing sharing and ultimately becoming a stronger person as I witnessed the strength in my spouse as our whole lives were turned upside down by a debilitating disease Whether you are family friend or stranger going through a similar situation as you read this book I hope my story told from a spouse s perspective gives you inspiration And I hope you

stay positive dig deep and rely on the support of others to get you through ultimately what will be a new lease on life you never thought was possible as you wait day after day for a life saving transplant as we did It s funny simple sharp and to the point and I thank you for taking the time to read it Angels I Have Seen Rev. Marcia C. Fleischman,2015-12-29 Marcia begins the book Angels I Have Seen by explaining first how her mystical gift of prophecy seeing and hearing the things of the spirit developed She spent 25 years listening to the Spirit and automatically writing what she heard The gift strengthened as she prayed and listened to the Spirit for people in staff meetings and at healing prayer services The second part of the book includes paintings of some of the angels she saw and painted and what the paintings mean Enjoy the angel paintings and see what they mean to you Notice how strong and vibrant the angels are Close your eyes to imagine what your angels may appear to be Marcia has been married to her husband Ken for over 41 years and lives in Leawood Kansas Ken and Marcia have two grown daughters and three grandchildren Treasure Trove for Little People John William George Ward,1927

Our Angel Friends in Ministry and Song Alfred Fowler,1903 **The gift book of affection for the young [signed B.]**. Gift book,1879 **The Durabone Prophecies** Frederick Douglas Harper,2011-08-25 The Durabone Prophecies is a novel about human nature and human destiny It is a multiplot story of romance relationships human emotions and pleasure vs purpose Also it is a mystery novel with predictions for the future of the Earth and the human race Four riveting romance stories are intertwined and involve major characters who unexpectedly find love The major plot and all subplots are related in some way to the main character and counseling psychologist Dr Franklin Durabone who after a near death experience commits to his destined purpose to write The Durabone Prophecies This prophetic book by Dr Durabone is based on the prophetic revelations of his mother Mama Durabone who sees alternative destinies for Earth and its human race through her visions and dreams The story takes the reader to Paris France Washington DC Chicago Virginia and Florida For the reader of The Durabone Prophecies author Frederick Douglas Harper evokes intense emotional feelings laughter sensual arousal nostalgic memories intellectual debate philosophical questions and spiritual exploration The Durabone Prophecies is a self help novel because psychological principles and messages are embedded in the story Also characters are subliminal teachers and role models of human imperfection and vulnerability as well as human possibility and hope **The angels' ministry, notes of a retreat given at s.
