The Gift Of Stones

Michael Brown

The Gift Of Stones:

The Gift of Stones Jim Crace, 2011-01-21 Crace's second novel confirmed his status as a writer of great imagination and skill. Set at the twilight of the Stone Age, a young man elects himself the village storyteller and hunts restlessly far and wide for inspiration. But the information he finds and the people he meets warn of the advent of a new age and the coming of a metal that will change their community's life irrevocably.

Gift Of Stones Jim Crace, 1996-05-01 Set before the advent of the Bronze Age, *The Gift of Stones* centers around a community of stoneworkers who live in a village near the sea. Wealthy and complacent, they survive by the trade of their unrivaled skills, secure in the supremacy of their craftsmanship. A small boy, outcast by misfortune, ventures from the confines of the enclave to explore the unknown. He returns with enchanting tales of ships and the seashore, of new vistas and horizons that beguile and disturb the villagers. In spite of his words and intuitive wisdom, the stoneworkers remain oblivious to the winds of change beginning to blow in the outside world. Until that is, the storyteller brings back to the village a strange and angry woman whose presence foretells the coming of metal, the end of stone, and the demise of their way of life.

The Artist Inside Tom Crockett, 2009-04-22 A fresh new approach to tapping into our own creativity using the images and artifacts of our dreams. Getting inspired is one of the toughest parts of being an artist, whether we're a beginner or a seasoned professional. But as Tom Crockett shows us in this new book, finding ideas for our artwork is easier than we think. By simply exploring the images of our sleeping and waking dream states, we can discover a wealth of ideas and inspiration that are more authentic and powerful because they reveal our underlying spiritual self. Recognizing the importance of allowing our spiritual side to infuse our art and the fulfillment this can bring, Tom Crockett has created a program to teach us all, no matter what level of artistic experience we have, how to bring art and spirit into one. The four different types of creative expression Crockett has identified—Finding, Arranging, Altering, and Making—open up artistic options for everyone, even for those of us who cannot yet imagine that we have the ability to create art. Filled with personal anecdotes from the author's creativity workshops and practical, easy-to-implement advice for tapping into our hidden creativity, *The Artist Inside* teaches us how to access the dreaming world to heighten creativity that we can create in each piece of artwork, a temporary home for the spirit. How creating a spiritual path can energize us and increase our intuitive capacity. When the process of making art is guided by the inner vision of our sleeping and waking dream states, we connect with something larger than ourselves and rediscover that creativity can be both a spiritual path and an important life tool.
