plan for establishing and maintaining effective teaching methods for every age **The Gift of Teaching** Mark L Sundy,2018-11-07 The Great Commission given by Jesus is usually talked about in the context of making disciples and baptizing them But this is only half of the verse The other half of the verse says to teach His disciples to observe all the things that Jesus taught This is often overlooked So teaching is a very important part of the Great Commission given by Jesus It is so important to preach and evangelize and make new converts to Christianity but it is just as important to teach the new converts the commandments of Christ Jesus was the Great Teacher Jesus spent more time teaching than anything else We should take a lesson from this and spend more time teaching the concepts of Jesus One of the newer trends in churches is to do away with Sunday school classes This is a great mistake It is important for children to memorize Bible verses and to learn the stories of the Bible Adult Sunday school classes are very important also Sometimes adult Sunday school classes are called Bible studies or connect groups But learning is so important for all age groups including children and adults A person is never too old to learn But in order to learn a person must be willing to learn which takes humility This book is about the gift of teaching which is one of the gifts of the Holy Spirit The Gift of Prophecy in the New Testament and Today (Revised Edition) Wayne Grudem,2000-11-07 What does the New Testament teach about the spiritual gift of prophecy What is it How does it function Can evangelical Christians use it in their churches today This updated comprehensive work answers such questions and points the way to a renewed understanding of the gift of prophecy an understanding that suggests how the body of Christ may enjoy one of the Holy Spirit s most edifying gifts without compromising the supremacy of Scripture
