The God Society:

Publications of the Folk-lore Society, 1913 **The Church in a World of Religions** Tom Greggs, 2021-12-16 In this collection of essays Tom Greggs explores the nature of the church in a world of many religions Greggs writings on the Church and on other religions emphasize the importance of attentiveness to Christ and the Holy Spirit and both are simultaneously generous and particularist The first part of the book addresses the Church as it is brought into being by the Spirit in glorifying God celebrates the sacraments respects the authority of the creeds is generously Catholic and critiques its own religion The second part looks at the church in a pluralist context as it engages in inter faith dialogue expresses both particularism and universalism speaks of Christ with many names and reads scripture and understands the many covenants found there Greggs offers a programmatic conclusion setting an agenda for theologies of the church and of other religions and their simultaneous relationality

Spirituality for Our Global Community Daniel A. Helminiak, 2008-02-08 In this groundbreaking book Daniel Helminiak provides a crucial spiritual option a middle path between modern society's secular materialism and traditional religion's otherworldly focus and institutional dogmatism The functional atheism of our contemporary consumer and scientific society as championed by current best selling authors Sam Harris *The End of Faith* Richard Dawkins *The God Delusion* and Christopher Hitchens *God is Not Great* doesn't satisfy our desire for lasting meaning and value But the parochial inflexible character of traditional religious beliefs increasingly result in personal local and global conflicts in our current world of pluralism globalization respect for science and progress Helminiak gives us a compelling vision of a global spirituality that downplays beliefs and emphasizes the essential spiritual dynamics of the common human quest for wholeness goodness freedom and community Spirituality for a Global Community builds on the spiritual facet of our common humanity stressing wholesome living on planet Earth and opening onto the range of religions and belief in God

Transactions - The Jewish Historical Society of England Jewish Historical Society of England, 1903 **The Philosophy of Religion** Beverley Clack, Brian R. Clack, 2019-05-29 For over twenty years Beverley Clack and Brian R Clack's distinctive and thought provoking introduction to the philosophy of religion has been of enormous value to students and scholars providing an approach to the subject that is bold and refreshingly alternative This revised and updated edition retains the accessibility which makes the book popular while furthering its distinctive argument regarding the human dimension of religion The central emphasis of the philosophy of religion the concept of God and the arguments for and against God's existence is reflected in thorough analyses while alternative approaches to traditional philosophical theism are explored The treatments of both the miraculous and immortality have been revised and expanded and the concluding chapter updates the investigation of how philosophy of religion might be conducted in an age defined by religious terrorism Clear systematic and highly critical the third edition of *The Philosophy of Religion* will continue to be essential reading for students and scholars of this fascinating and important subject
