Knowing the Truth About the Resurrection

John Ankerberg, John Weldon, 2011-04-06 Throughout history people have tried to discredit Christianity by disputing the claim that Jesus Christ died and rose from the dead Is there evidence so persuasive that after careful evaluation skeptics and critics will realize the truth of the resurrection Unequivocally yes Join in this exploration of the events surrounding the resurrection including The historical and logical evidence supporting Christ s resurrection The accuracy and precision of Jesus predictions The resurrection s unequalled impact on the world This booklet provides a clear concise look at the resurrection It gives you the opportunity to understand and examine the evidence that is the foundation for biblical Christianity

The Reality of the Resurrection Stefan Alkier, 2013-10 In *The Reality of the Resurrection* Stefan Alkier bridges the chasm between history and theology Through a patient historical canonical and hermeneutical study Alkier demonstrates that the resurrection of Jesus is inextricably bound to the general eschatological resurrection of the dead Jesus resurrection is no isolated miracle but is instead the crucial disclosure of the nature of reality the identity of God and the destiny of human beings Interpretation of Jesus resurrection is thus necessarily and unavoidably both historical and theological Alkier accomplishes three tasks Through a descriptive exegetical survey of New Testament rhetoric he locates the resurrection of the Crucified One within a distinct narrative world Alkier then employs the semiotics of C S Peirce to develop a creative epistemology that avoids propositional literalism and modernist reductionism Alkier finally outlines how resurrection impacts Christian praxis *The Reality of the Resurrection* witnesses to that which Paul names as of first importance not only for the early Christian communities but also for the shaping of our communities today

The Reality of the Resurrection Merrill C Tenney, 2020-05-08 Ever since the apostles of Christ invaded the Roman world with the gospel the Christian church has been endeavoring to formulate its theology in language relevant to the times The essential truth of divine revelation remains unchanged for God is eternally the same but the problems and fashions of human thought vary from century to century Each succeeding period demands some new adjustment discarding the phraseology of the past and adopting eagerly the current formulas that seem more significant In this creedal flux the definition of Christianity often seems to be dependent upon the terms of the latest philosophy that it encounters During the Middle Ages Thomas Aquinas attempted to combine Biblical truth with Aristotelian reasoning Later Immanuel Kant s philosophy led to the theology of Schleiermacher and Harnack and today existentialism wields a powerful influence over Barth Brunner and Bultmann Is there any inherent principle or symbol by which the gospel can be defined without resorting to extraneous forms The author believes that the resurrection of Christ can supply the framework for Christian theology because it marks the intersection of the temporal and eternal worlds of material existence and spiritual life Because the event is supernatural it expresses the essence of God s revelation because it is historical it is a genuine part of human experience The resurrection is a permanent witness to the love power holiness and

redemptive purpose of God and is also a fact which must be accepted as part of history It cannot be dismissed as a speculative venture of the intellect which is possibly but not necessarily true *The Third Day* Hank Hanegraaff,2003-02-09 A study of the historical details surrounding Christ's death and resurrection covering Jesus's fatal torment empty tomb appearances and transformation The foundation of Christian faith the resurrection of Jesus Christ is defended in detail in this powerful work from author Hank Hanegraaff's bestseller Resurrection Factual evidences are examined from the fatal torment and empty tomb to Christ's appearances and transformation Believers will find this chronicle of immense help in defending their faith with tangible proof and in terms the secular world can appreciate and understand Not merely a shield for spiritual battle this book is a torch to arm Christians with a convincing case study of the resurrection of Jesus Christ As Joni Eareckson Tada said Hands down slam dunk the resurrection is the bottom line for the believer Hank leaves no stone unturned thoroughly portraying the resurrection as our grand hope the glorious springboard from which we will dive into eternity With laser beam focus Hank zeroes in on the most convincing facts that back up Jesus's death his empty tomb his post resurrection appearances and the subsequent transformation of those who encountered him What's more he answers the so what question by demonstrating the relevance of the Resurrection to every individual and even to the cosmos itself Lee Strobel bestselling author of *The Case for Christ* Closer Look at the Reality of the Resurrection Bob George,1992-07 The Truth of the Resurrection of Jesus Christ, Proved Upon the Principle of Human Testimony, Considered as a Branch of Moral Evidence Benjamin MARDON,1822 **REALITY OF THE RESURRECTION** Ross Thompson,2018-06-13 The reality of the resurrection of Jesus Christ no resurrection no salvation the resurrection destroyed the devil are the first three chapters of this book The book is a compilation of more articles written by the author for faith filled family magazine Anecdotes stories and good Bible info are plentiful Each chapter is a stand alone discussion of a separate topic That means it won't be boring and you will have a quality quick read *Alive* Gabriel N. E. Fluhrer,2020 In our secular age there is perhaps no claim more stupendous than that Jesus Christ rose from the grave for this claim introduces an unacceptable supernaturalism into the culture's materialist worldview Yet the resurrection of Jesus Christ is at the center of the Christian religion From the earliest days of the faith Christians proclaimed that Christ was risen and not only that but His resurrection means something In *Alive* How the Resurrection of Christ Changes Everything Dr Gabriel N E Fluhrer demonstrates that there is good reason to believe in the resurrection of Jesus Christ He explores the evidence for the resurrection rebuts popular arguments against it and provides application for Christians in a hostile culture Dr Fluhrer begins by surveying the current landscape of ideas when it comes to the resurrection focusing especially on the arguments of Bart Ehrman of the University of North Carolina Chapel Hill He goes to sketch out some plausibility structures for the historical reality of Christ's resurrection including the marked change seen in the Apostles Next he provides an overview of the Bible's testimony concerning the resurrection beginning in the Old Testament and continuing with an examination of the Gospels Acts and the

rest of the New Testament Finally Dr Fluhrer concludes with some applications regarding how understanding the reality of the resurrection bears on the Christian life

Experiencing the Resurrection Henry Blackaby, Mel Blackaby, 2008-02-19 Experience the powerful reality of Christ's resurrection in your life Moment by moment day by day Two thousand years ago God raised Jesus Christ from the dead But that isn't a mere historical event It isn't simply a theological doctrine It is rather a huge moment that reverberates powerfully and meaningfully throughout history Even today Even in your life When God raised Jesus He also made it possible for Christ's life to reign eternally in His followers The resurrection is the foundation of your total freedom and complete victory in Christ And so it is an event an experience that's worthy of your daily celebration Experiencing the Resurrection is the second in a groundbreaking trilogy by the world renowned spiritual leader Dr Henry Blackaby and his son Dr Melvin Blackaby that guides you into experiencing the gospel of Christ in its fullness In this book they offer you a deeper understanding of the glorious joyous dimensions of the resurrection with the goal of revealing the living Lord at work in your daily life This is the first step to fully knowing and experiencing the peace joy power purpose and confidence that God promises you through the resurrection of His Son

[Did Jesus Really Rise from the Dead?](#) Thomas A. Miller, 2022-04-22 How can a respected scientist believe in the resurrection Can I trust the Bible's account that Jesus actually rose from the dead If the resurrection really occurred of what importance is it to you and me Our ready embrace of the authority of science has left many doubting that Jesus's resurrection was a verifiable historical event Yet Thomas Miller an experienced scientist and well respected surgeon challenges the notion that modern medicine has disproved the possibility of the resurrection Through careful investigation of the evidence and evaluation of its reliability Dr Miller demonstrates that science and religion are not incompatible and makes a compelling case for the reality of the resurrection

Resurrection John Shelby Spong, 1994 The Episcopal Bishop of Newark compares the New Testament witness to antecedents in the Hebrew scriptures arguing that many of the details of Jesus' life and especially his crucifix derive from the Jewish tradition of Midrash

Dead Or Alive? Daniel Clark, 2007 Christians claim that Jesus of Nazareth rose bodily from the grave three days after being brutally executed If that claim isn't true Jesus was nothing more than a good man and the whole of the Christian faith collapses in a pile of dust

But what if it is true Daniel Clark shows how Jesus resurrection is the key which unlocks answers to some of life s biggest questions Is there anybody out there Why is there so much suffering in the world Does life have a meaning or purpose Using real life stories of those who have come to believe in Jesus resurrection he explores the evidence so that we can make our own informed conclusion If Jesus is alive rather than dead then another altogether more startling question emerges
