immediately relevant and refreshingly direct discussion of the most dynamic and foundational facet of our lives Bold and thorough this book is the answer for those who are disillusioned with the relationship guidance found in many of today's books magazines movies and television programs With clarity and a sharp wit Dean Sherman illuminates the often confusing and mysterious world of love sex and relationships in this accessible hard hitting examination of romantic love and sexuality in the Christian's life He says If we don't get relationships right we have very little left upon which to build our lives
