Rae Dunlap, 2024-12-24 In the tradition of The Alienist and Anatomy A Love Story a decadently macabre dark and twisty gothic debut set in 19th century Scotland when real life serial killers Burke and Hare terrorized the streets of Edinburgh as a young medical student is lured into the illicit underworld of body snatching Historical fiction true crime and

dark academia intertwine in a harrowing tale of murder greed and the grisly origins of modern medicine for readers of Lydia Kang ML Rio Sarah Perry and C E McGill Portrait of the Medical Student as a Young Body Snatcher Yet I must insist that in the end this is not a story about Death It is perhaps a Life story or even yes a Love story It is the story of how I clawed my way from the decay of a crumbling legacy into the modern era of Reason and Science It is the story of how I escaped the prison of archaic superstition to the freedom of enlightenment It is the story of how a rose can blossom from even the bloodiest soil of how light can grow from shadow how love can grow from despair This dear reader is the story of my Resurrection Edinburgh Scotland 1828 Na ve but determined James Willoughby has abandoned his posh sheltered life at Oxford to pursue a lifelong dream of studying surgery in Edinburgh A shining beacon of medical discovery in the age of New Enlightenment the city s university offers everything James desires except the chance to work on a human cadaver For that he needs to join one of the private schools in Surgeon s Square at a cost he cannot afford In desperation he strikes a deal with Aneurin Nye MacKinnon a dashing young dissectionist with an artist s eye for anatomy and a reckless passion for knowledge Nye promises to help him gain the surgical experience he craves but it doesn t take long for James to realize he s made a devil s bargain Nye is a body snatcher And James has unwittingly become his accomplice Intoxicated by Nye and his noble mission James rapidly descends into the underground ranks of the Resurrectionists the body snatchers infamous for stealing fresh corpses from churchyards to be used as anatomical specimens Before he knows it James is caught up in a life or death scheme as rival gangs of snatchers compete in a morbid race for power and prestige James and Nye soon find themselves in the crosshairs of a shady pair of unscrupulous opportunists known as Burke and Hare who are dead set on cornering the market no matter the cost These unsavory characters will do anything to beat the competition for bodies Even if it s cold blooded murder Exquisitely macabre and delightfully entertaining The Resurrectionist combines fact and fiction in a rollicking tale of the risks and rewards of scientific pursuit the passions of its boldest pioneers and the anatomy of human desire

The Resurrectionist Matthew Guinn,2013-07-08 At South Carolina Medical College Dr Jacob Thacker is on probation for Xanax abuse His interim career working university public relations takes an unnerving detour into the past when the bones of African American slaves are unearthed on campus In a parallel narrative set in the nineteenth century Nemo no man a university slave purchased for his unusual knife skills becomes an unacknowledged member of the surgical faculty by day and by night a resurrectionist responsible for procuring bodies for medical study An unforgettable character by turns apparently insouciant tormented and brilliant Nemo will seize his self respect in ways no reader can anticipate With exceptional storytelling pacing and skill Matthew Guinn weaves together past and present to relate a Southern Gothic tale of
