

# The Riders

**Jessica Jahiel**

## **The Riders:**

**The Riders of High Rock** Louis L'Amour,2004-08-31 Hopalong Cassidy rode into cattle country just east of the California line looking for his old friend Red Connors He found Red holed up in a mountain cave with a bullet in his side and a story to tell The ranchers around Tascotal had been losing their stock and when Red caught the rustlers in the act they hunted him down shot him and left him for dead Jack Bolt a savage ruthless killer has brought in a tough band of hard cases to run his operation And now he s sent them out to take care of the one man who stands in his way Hopalong Cassidy But Bolt s about to learn the hard way that if you shoot down a man like Cassidy you better make sure he never gets up again

**The Riders Come Out at Night** Ali Winston,Darwin BondGraham,2024-03-12 The Riders Come Out at Night is the culmination of more than twenty one years of fearless reporting Ali Winston and Darwin BondGraham shine a light on the The Riders a squad of sadistic Oakland cops whose disregard for their oath to protect and serve is on full tragic and infuriating display The authors trace the history of Oakland since its inception through the lens of the city s police department from the Palmer Raids McCarthyism and civil rights struggle the Black Panthers and the crack era up to Oakland s present day revival This is the story of one police department and one city but it s also a history of American policing and a look at where it s headed The book relays the collective experiences of Oaklanders from a wide eyed rookie cop realizing the depth of his superiors depravity to two attorneys hell bent on seeing reform implemented despite the obstacles thrown in their way by a rotating cast of obstinate police chiefs and politicians to the victims of OPD brutality who truly illustrate the consequences of an unchecked police department one that chose to prey upon instead of protect citizens Back cover [The](#)

[Rider's Problem Solver](#) Jessica Jahiel,2006-04-01 From the best way to break in a pair of stiff new boots to mastering a difficult jumping routine Jessica Jahiel addresses hundreds of common problems facing amateur horse riders Offering helpful tips and plenty of encouragement this comprehensive guide covers a wide range of riding concerns that include both physical painful joints and psychological fear of accidents issues Jahiel s informal yet informative approach will not only help you overcome nagging riding obstacles but inspire you to enjoy your riding experience to its fullest *Mechanics* Richard
