## The Ringer Signed Copy:

*The Bookseller and the Stationery Trades' Journal*, 1927      **Catalogue Dawson's Book Shop**, 1930      **John Betjeman**  
William S. Peterson, 2006 Sir John Betjeman 1906-1984 Poet Laureate was probably the most widely read English poet of the twentieth century. Because of his frequent appearances on radio and television and his fervent devotion to the preservation of England's architectural heritage, his face and voice became familiar to millions. Few other poets of any century have had such a powerful influence on their contemporaries. This bibliography lists and describes all of his known writings, including his own books, ephemera, contributions to periodicals, and to books by others, lectures, and radio and television programmes. Other categories such as editorships, music settings, and dramatic adaptations of his poems, recordings, and interviews are also included, as well as a section devoted to writings about him. Manuscripts and drafts of all his works are described in detail. This enormous body of material is thoroughly indexed, cross-referenced, and in most cases annotated. Now, at last, the activities of this remarkable man, both a poet and a cultural phenomenon, can be seen in their full breadth and complexity.

*Catalogue A. Dulau & Co*, 1934      **Racial Impact at the Crossroads** George J. Foxx, 2008-11 Have you ever been raped or robbed? How about cheated out of something special and expensive? What about discriminated against, threaten, and violated until you were helpless and hopeless, and when you went for lawful help, the Justice Department, which is supposed to protect people, instead protects the culprits? It's like living a nightmare day after day, year after year for 12-15 years, never to wake up. The horrors of disbelief and hurt, anger, to forgiveness, deceit, and obstruction, and justice being delayed and denied. Well, I hope you never find yourself in this situation because you may not survive. In this nightmare, nothing or no one seems to come to your aid, even after fighting in the federal judicial system before 161 judges in 28 venues, even the U.S. Supreme Court eight times, just to be ignored. What a horrible feeling! The feelings only become more horrible when you know who the Evil Demon in the nightmare is: the United States Navy. Yes, the Navy at the Crossroad.      **Book-prices Current** John Herbert Slater, William Roberts, F.
