[The Youngest Sister](#) Suniyay Moreno Moreno, 2022-05-06 [The Night House](#) Danielle Dulsky, 2025-03-25 Fairy tales are more than mere bedtime stories; they are living, breathing repositories of ancient wisdom and magick. In *The Night House*, bestselling author and word witch Danielle Dulsky peels back the layers of these timeless narratives to reveal their potent role as guides for navigating today's world. Historically kept and passed on by women, fairy tales are distinguishable from other types of folk tales by their supernatural elements and because of this, they were often dismissed as trivial fantasies for women and children. Danielle illuminates how this marginalization kept these stories safe from the witch hunter's noose and allowed women to safely store and transmit their sacred, age-old wisdom for new generations to uncover and explore. Her fresh and relevant commentary will support your kinship with the Earth ancestors and your own living myth. *The Night House* shows how a single fairy tale is actually a treasure box of coded knowledge and magickal practice that has remained largely intact, preserved under the floorboards of the Yaga's hut for us to find.
