*How to Dodge a Cannonball* Dennard Dayle, 2025-06-17 How to Dodge a Cannonball is a razor sharp satire that dives into the heart of the Civil War hilariously questioning the essence of the fight not just for territory but for the soul of America How to Dodge a Cannonball is funnier than the Civil War should ever be It follows Anders a teenage idealist who enlists and reenlists to shape the American Future as soon as he figures out what that is who it includes and why everyone wants him to die for it Escaping his violently insane mother is a bonus Anders finds honor as a proud Union flag twirler until he s captured Then he tries life as a diehard Confederate until fate asks him to die hard for the Confederacy at Gettysburg Barely alive Anders limps into a Black Union regiment in a stolen uniform While visibly white he claims to be an octoroon and they claim to believe him Only then does his life get truly strange His new brothers are even stranger including a science fiction playwright a Haitian double agent and a former slave feuding with God Despite his best efforts Anders starts seeing the war through their eyes sparking ill timed questions about who gets to be
