Murder at Ford's Theatre Brendan H. Egan, Jr.,2008-08-22 It was a sad generation that limped past 1865 Almost every family had been touched by death and many had been torn apart as sons brothers and fathers chose different sides in the Civil War Murder at Ford's Theatre is a history of an assassination with the Civil War as its tragic backdrop and with characters to match this tragedy There was Lewis Paine the devoted follower and David Herold who wanted desperately to belong and lose his reputation as an untrustworthy loafer There are tragic failures of Mary Surratt and Dr Samuel Mudd as well as Abraham Lincoln unappreciated by the public until his martyrdom Lincoln refused security and put himself in harms way Harm came in the form of John Wilkes Booth an acclaimed actor who wanted to save his beloved South and believed there was only one way to accomplish his goal Booth had grown up with his own demons depression and odd behavior were part of his family background His darker side was hate When the war broke out Booth took up the southern cause the rest of the family sided with the North Lincoln was a perfect object for Booth's hatred He suspended Habeas Corpus put many anti war advocates in jail continued the war with its grisly pile of human deaths refused to negotiate a treaty and wrote Emancipation Proclamation Booth who had spent the war in a noncombat position at the behest of his mother received news of the end of the war with increased anger Soon it would be too late to become a hero His hasty and disorganized plan to assassinate Lincoln went awry Booth did shoot Lincoln but during his escape he broke his ankle an injury that slowed him and led to his capture and death Only the Bible has been written about more than the Civil War and the assassination of Lincoln is a part of that story This is that story *The Tammany Times* ,1896 *Margaret* Kenneth Lonergan,2014-01-07 The director's cut screenplay of the film starring Anna Paquin from the Oscar winning writer and director of Manchester by the Sea This stirring drama by the Academy Award winning director playwright and screenwriter Kenneth Lonergan was

called a film of rare beauty and shocking gravity by Rolling Stone Delayed for four years in post production the film was finally released in 2011 with a director s cut following on DVD in 2012 This edition includes the scripts of the full director s cut along with an introduction and key tie in art Margaret is the story of a Manhattan teenager whose life is profoundly altered after witnessing a terrible accident It is the extraordinary journey of an emotional teen who abides by her moral code and wants to set things right but whose innocent ideals come crashing against the harsh realities of the adult world It is a story of youth love the consequences of mistakes and the fundamental questions of morality as faced by a teenager in an extraordinary situation A triumph the sort of ambitious American storytelling you find too rarely at the movies Chicago Tribune Extraordinarily ambitious Lonergan has as much on his mind as a contemporary novelist such as Don DeLillo or Jonathan Franzen Time Arguably the most important American playwright of the last twenty years The New York Times
