

Theme and Variations

Georg Friedrich Händel
(1685-1759)
Edited by Elzbieta Smyt

The musical score is presented in five systems, each with a grand staff (treble and bass clefs). The first system is labeled 'Harp' and 'Moderato'. The key signature is one sharp (F#) and the time signature is 3/4. The score includes various musical notations such as dynamics (p, mf, pp, mp, f), articulation (accents, slurs), and fingerings. The piece concludes with a double bar line and repeat dots. A tempo change symbol (♩) is present at the beginning of the second system.

The Variations of Johannes Brahms Julian Littlewood, 2004 Variation is a fundamental musical principle yet its most naked expression variation form resists all but the broadest of descriptions This book offers listener performer analyst and composer an eclectic array of approaches to Theme and Variations including patterns of departure and return real versus perceived time strategies of propulsion and closure in an intrinsically cyclic and open ended form the interplay of authorial voices deriving from dialogue between the self of variations and the other of their theme critique of a theme through a set's generic references drama and narrative achieved through textural and tonal control and the intrinsic sound of a variation so different from that of a freely composed work These topics are introduced through a general survey of the form seen through the prisms of the provenance of themes and the ideologies of sets before being developed through close study of Brahms's variation sets and movements Brahms was supremely aware of his place in music history and was uncommonly self-conscious in his manipulation of different techniques of composition His variation sets some of the most well-crafted and beloved examples place the interplay of forms and styles at the heart of their identity Moreover in their stunning breadth and diversity they offer a microcosm of Brahms's entire output a succinct revelation of his life-long concerns Through them we marvel at his technical and poetic mastery and journey to the heart of his creative character
