Theologies Of The Old Testament:

   An Old Testament Theology Bruce K. Waltke,2007 An Old Testament theology by a leading Old Testament scholar who combines a technical with a spiritual understanding of the Old Testament   **Theology of the Old Testament** Walter Brueggemann,2005 In this powerful book Walter Brueggemann moves the discussion of Old Testament theology beyond the dominant models of previous generations Brueggemann focuses on the metaphor and imagery of the courtroom trial in order to regard the theological substance of the Old Testament as a series of claims asserted for Yahweh the God of Israel This provides a context that attends to pluralism in every dimension of the interpretive process and suggests links to the plurality of voices of our time   **Biblical Theology of the Old Testament** Revere Franklin Weidner,1886   *Old Testament Theology* Walter Brueggemann,2008 In this first volume in the Library of Biblical Theology series Walter Brueggemann portrays the key components in Israel s encounter with God as recorded in the Hebrew Bible Creation election Torah the divine hand in history these and other theological high points appear both in their original historical context and their ongoing relevance for contemporary Jewish and Christian self understanding   Theology of the Old Testament Gustav Friedrich Oehler,1892   **Theology of the Old Testament** David Francis Hinson,2001 David Hinson s Theology of the Old Testament is the third and final volume of his Old Testament Introduction Since it was first published it has become widely used and appreciated This new edition is thoroughly revised and updated to take account of developments in biblical scholarship and changes in the modern world Theology of the Old Testament reminds us that all that happened in Old Testament was a preparation for Christ and shows how the study of Old Testament theology helps us to understand the New Testament more clearly and benefit more fully from God s revelation The text includes topics for discussion and study questions   Theology of the Old Testament Walther Eichrodt,1961-01-01 This book the first of two volumes offers a comprehensive profiling of the theology contained in the Old Testament The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The contributors are scholars of international standing   **Introduction to Old Testament Theology** John H. Sailhamer,2010-12-21 The author s purpose for Introduction to Old Testament Theology is to show how different approaches to the Old Testament can be brought together into a single theology The author develops his own distinctive approach which he calls canonical theology   *Old Testament Theology* Ben C. Ollenburger,2004-06-30 In this extensively revised and updated edition of The Flowering of Old Testament Theology Professor Ollenburger provides help for beginning theological students who are frequently overwhelmed by the proliferation of volumes dealing with Old Testament theology to say nothing of the variety of approaches used in these works This textbook has been re issued with a new title Old Testament Theology Flowering and Future and is now divided into five convenient sections Part 1 The Background Part 2 Old Testament Theology s Renaissance Walther Eichrodt through Gerhard von Rad Part 3 Expansion and Variety Between Gerhard von Rad and

Brevard Childs Part 4 From Brevard Childs to a New Pluralism and Part 5 Contexts Perspectives and Proposals Selected essays include key theological statements of Otto Eissfeldt Walther Eichrodt Theodorus C Vriezen George E Wright Gerhard von Rad Walther Zimmerli John L McKenzie Ronald E Clements Walter C Kaiser Jr Samuel L Terrien Claus Westermann Brevard S Childs Rolf Knierim Horst D Preuss Walter Brueggemann Paul R House Bernhard W Anderson Erhard S Gerstenberger Hartmut Gese Phyllis Trible Jon D Levenson John H Sailhamer Gunther H Wittenberg James Barr R W L Moberly and Mark G Brett An appendix contains Johann P Gabler s 1787 seminal essay on biblical theology An extensive bibliography and indexes of authorities and Scripture references conclude the volume   Theologies in the Old Testament Erhard S. Gerstenberger,2002-08-01 The author here offers a radical departure from traditional treatments of Old Testament theology Rather than offering a systematic approach he discusses the various theological voices coming from different social settings within ancient Israel the family and the clan village tribal alliance and kingdom Gerstenberger concludes with his reflections on how the biblical witness informs contemporary theology and must be contextual and ecumenical in order to be authentic   A Theology of the Old Testament John L. McKenzie,2009-03-01 By thoroughly investigating every aspect of theology to be found in the Old Testament Father McKenzie offers a total theological statement of this timeless record The theology of the Old Testament he writes has to be the study of the reality of Yahweh The Old Testament is the sole literary witness to that reality as the record of the experience of Israel Seven categories outline the book cult revelation history nature wisdom political and social institutions and the future of Israel Together these categories provide a pathway to God that is far more complete than that which can be experienced by any individual For McKenzie the Hebrew scriptures are to be understood as the independent record of the early Israelite community s experience with God rather than as a prelude to or forecast of the New Testament   **Old Testament Theology** Ronald Ernest Clements,2012-09-01 What is Old Testament Theology For the past two hundred years Old Testament scholars have developed a distinctive presentation of the theological significance of this literature on the basis of a penetrating historical criticism Increasingly however the form and structure of this discipline have moved away from other areas of theological investigation The result is that today Old Testament theology bears little relationship to the historic ways in which Christians and Jews have actually found theological meaning in the Bible   **The Concept of Biblical Theology** James Barr,2009-12-01 A major overview and provocative analysis from a premier Old Testament scholar   *Old Testament Theology* Schultz,1892   **Old Testament Theology** Robin Routledge,2013-03-05 Robin Routledge provides a substantial overview of the central issues and themes in Old Testament theology For readers who want to dine on the meat of Old Testament theology but do not have time to linger over hors d oeuvres and dessert Now in paperback   *Old Testament Theology* Paul R. House,1998-11-04 Paul R House provides a comprehensive theology of the Old Testament carefully exploring each Old Testament book thematically summarizing its content and showing its theological significance within the whole of the Old Testament canon   *Old Testament Theology*

John Goldingay,2009-10-26 In this third volume of his critically acclaimed Old Testament Theology John Goldingay explores the Old Testament vision of Israel s life before God The first volume focused on the story of God s dealings with Israel or Israel s gospel The second volume investigated the beliefs of Israel or Israel s faith Now the spotlight falls on the Old Testament s perspective on the life that Israel should live in its present and future including its worship prayer and spirituality as well as its practices attitudes and ethics before God Goldingay sees three spheres of life giving order to Israel s vision its life in relation to God its life in community and the life of the individual as a self Within these frameworks he unfurls a tapesetry that is as broad and colorful as all of life and yet detailed in its intricate attention to the text With this final volume John Goldingay has given us the third pillar of an Old Testament theology that is monumental in scope and yet invites us to enter through multiple doors to explore its riches Students will profit from a semester in its courts and ministers of the Word will find their preaching and teaching deeply enriched by wandering its halls and meditating in its chambers **The Role of Old Testament Theology in Old Testament Interpretation** Walter Brueggemann,2015-05-14 This collection of essays is drawn from a series of previous collections to which the author has contributed that were designed to honor senior scholars in the discipline of Old Testament study Each of these essays reflects a distinct intention depending on the nature of the original collection in which they appeared and the scholar who was being honored Taken together however this collection amounts to an articulation of Brueggemann s distinctive approach to theological interpretation of the Old Testament Already in his major volume on Old Testament theology Brueggemann proposed a dynamism of tension dispute and contradiction as the text of ancient Israel sought to give voice to the mystery of God as a sustaining and disruptive agent in the life of the world Over a long period of time this collection reflects the author s growing clarity about the task of Old Testament theology It further reflects on the nature of the biblical text and the way in which the God who inhabits the text runs beyond all of our attempts to define and explain These essays reflect not so much on methodological issues but take up the substantive questions that regularly occupied these ancient text makers embed container position relative padding bottom 56 25% height 0 overflow hidden max width 100% embed container iframe embed container object embed container embed position absolute top 0 left 0 width 100% height 100% *Toward an Old Testament Theology* Walter C.
