**Joy and Tears** Gerald W. Peterman, 2013-02-18 This book presents a biblical and practical look at Christians and their emotions building off of the concept that most contemporary Christians have misconceptions about why we have emotions and how we should handle them Trusting God doesn t mean being consistently tranquil or subdued Truth is such a view makes life flat and two dimensional We often forget that emotions are a gift to fear them or stow them away would be to deny a huge part of what makes us human This book explores the significance of the gift and the benefits of living a robust life of thought action and feeling Illuminating the emotional life of Christ and his followers As Dr Gerald Peterman asks If I m forgiven why do I feel guilt and shame What about anger What if I m angry with God What is the place of sadness in the Christian life Is love only an action Emotions don t just happen to us like the virus or the flu they are inherently part of us Readers will find that the discussion extends beyond good and bad as many emotions are neutral and it is up to them to figure out how to glorify God with them Extended chapters on love and anger are included
