Believe August Dallas,2023-06-14 Everything that occurs on earth is about whether someone believes in God The entirety of the Bible has stories of God chastising or blessing people for their proper or improper believing All of God s work is a demonstration that he believes with certainty in humankind The law in the Old Testament and all the commands in the New Testament are for humankind to believe in God Believing in God was the failed test in the garden of Eden Examples throughout the world reveal that the word believe became tainted with the knowledge of evil All tests provided by God are specifically designed for us to believe in his Jesus John 3 16 confirms that death is still a constant from the garden of Eden We learn in John 3 16 that the word believe is the most pivotal word ever created as it pertains to everlasting life Imagine the impact of the word believe after reading Matthew 7 21 Not everyone who says Lord Lord will enter the kingdom of heaven Language throughout the world has become individually used to support circumstance The world of a believer is witnessing the micro and macroevolution of the knowledge of evil in this era Since the word believe is so important and is tantamount to whether we will experience everlasting life how did the most important word in the history of humankind become polluted with doubt Finally since the tests from God come from heaven what is the heavenly definition of the word believe
