Three Coffins:

The Three Coffins John Dickson Carr,1979-01-01 **The Fixer's Daughter A Mystery Novel** Hy Conrad,2020-08-07
From the Writer Producer of Monk and White Collar The Fixer s Daughter pits father against daughter in a twisted tale of murder deadly secrets and family loyalty What an absolutely chilling and incredibly gripping tale this is A masterful murder mystery This folks is how it is done Goodreads Review I couldn t put it down is a cliché but an apt one in this case When circumstances forced me to temporarily abandon the book for real life I found myself thinking about it pondering what had happened and trying to predict what might happen next Amazon Review While this is a compelling mystery it s also a tale of family love and loyalty and figuring out how far you can go without destroying both those things Callie is a protagonist you will root for I can t recommend this book enough Amazon Review Three years ago Callie McFee accidentally caused her father s political downfall Once the most influential man in Texas Buddy McFee resigned from office and became a fixer a person who makes big problems go away When a prominent CEO is caught trying to bury a raped and murdered girl it looks like an open and shut case But then Buddy steps in Soon the wealthy suspect develops an alibi and evidence starts disappearing Callie an investigative reporter used to adore her father He was brilliant but honorable Now she thinks he may be helping a cold blooded killer escape justice And then Callie discovers something even more troubling The great Buddy McFee the man protecting all the scandals in the state is in the early stages of dementia If this ever goes public it would destroy his spirit end his career and probably get him killed Can Callie go up against her father and expose a ruthless killer Can she do this and still keep his secret from the world Or as she inches closer to the truth will she wind up getting both of them murdered *The Hollow Man* John Dickson Carr,2012-11-29 The most famous of all locked room mysteries a classic in the crime genre If you like the new KNIVES OUT film WAKE UP DEAD MAN you ll love this The sheer ingenuity of the plot is a delight Daily Mail The first deadly walking of the hollow man took place when the side streets of London were quiet with snow and the three coffins of the prophecy were filled at last The murderer of Dr Grimauld walked through a locked door shot his victim and vanished He killed his second victim in the middle of an empty street with watchers at each end yet nobody saw him and he left no footprints in the snow And so it is up to the irrepressible larger than life Dr Gideon Fell to solve this most famous and taxing of locked room mysteries **Jewish Funerary Customs, Practices And Rites In The Second Temple Period** Rāḥēl Ḥaklīlī,2005 This publication outlines the material preserved in the ancient Jewish cemeteries in the Land of Israel and provides a comprehensive and instructive study of Jewish funerary customs practices and rituals relating to death burial and mourning as well as addressing the meaning of Jewish funerary art and tradition [The Coffin of Heqata](#) Harco Willems,1996 The coffin published in this book represents a type that had some popularity in southern Upper Egypt in the early Middle Kingdom but which despite its extraordinary decoration had not attracted attention so far The most striking feature of the decoration is that the object friezes the pictorial rendering of ritual implements usually found

on coffin interiors of the period also include complete ritual scenes some of which are attested only here Apart from this the decoration includes an extensive selection of the religious texts know as the Coffin Texts The author first studies the archaeological context and dating of the coffin and attempts a reconstruction of the construction procedures from his technical description of the monument The detailed account of the decoration in the rest of the book interprets the ritual iconography and offers fresh translations and interpretations of the Coffin Texts A methodological innovation is that he regards the scenes and texts not as individual decoration elements but as components of an integral composition The background of this composition is argued to be a view of life in the hereafter in which the deceased is involved in an unending cycle of ritual action which reflects the funerary rituals that were actually performed on earth On the one hand these netherworldly rituals aim at bringing the deceased to new life by mummification on the other the newly regenerated deceased partakes in embalming rituals for gods representing his dead father Osiris or Atum These gods in their turn effectuate the deceased s regeneration The entire process results in a cycle of resuscitation in which the afterlife of the deceased and of the father gods are interdependent The sociological bias of this interpretation with its emphasis on kinship relations differs significantly from earlier attempts to explain Egyptian funerary religion

Glastonbury and the Grail Justin E. Griffin, 2012-11-30 Glastonbury a small town in Somerset England stands at the epicenter of a longstanding tradition placing the Holy Grail in Britain Legend holds that Joseph of Arimathea traveled to Britain bringing with him both a gathering of followers and the cup that Jesus used at the last supper He is said to have buried the Grail at Glastonbury where some claim he founded the first church in England This volume chronicles one man s personal quest to find historical evidence supporting the traditional beliefs surrounding Joseph of Arimathea and the Holy Grail in southern England Bolstered by an abundance of evidence supporting the presence of Joseph in 1st Century Britain he separates his findings from the fantasy of the Grail Romances answering questions about the Grail and the origins and progressions of its legend
