Three Days of the Condor (Originally Published as Six Days of the Condor) James Grady, 2002-06-11 Researcher for U S Intelligence Agency comes across more information than he should and is suddenly the target of an international manhunt Filmed in 1975 by Sydney Pollack with Robert Redford as the hunted Cliff Robertson and Max von Sydow as two pursuers and Faye Dunaway as the woman who shelters Redford *Hollywood's Cold War* Tony Shaw, 2007 Published at a time when American filmmakers are deeply involved in the War on Terror this authoritative and timely book offers the first comprehensive account of Hollywood s propaganda role during the defining ideological conflict of the 20th century the Cold War *The Connectivity of Things* Sebastian Giessmann, 2024-10-15 A media history of the material and infrastructural features of networking practices a German classic translated for the first time into English Nets hold connect and catch They ensnare bind and entangle Our social networks owe their name to a conceivably strange and ambivalent object But how did the net get into the network And how can it reasonably represent the connectedness of people things institutions signs infrastructures and even nature *The Connectivity of Things* by Sebastian Giessmann the first media history that addresses the overwhelming diversity of networks attempts to answer all these questions and more Reconstructing the decisive moments in which networking turned into a veritable cultural technique Giessmann takes readers below the street to the Parisian sewers and to the Suez Canal into the telephone exchanges of Northeast America and on to the London Underground His brilliant history explains why social networks were discovered late how the rapid rise of mathematical network theory was able to take place how improbable the invention of the internet was and even what diagrams and conspiracy theories have to do with it all A primer on networking as a cultural technique this translated German classic explains everything one ever could wish to know about networks **Conspiracy Films** Barna William Donovan, 2014-01-10 For many years conspiracy theories have been among the most popular story elements in Hollywood films According to the conspiracy culture Government Big Business the Church even aliens all of which bundled together comprise the ubiquitous They are concealing some of the biggest secrets in American and world history From *The Manchurian Candidate* 1962 to JFK 1991 *The Matrix* 1999 to *The Da Vinci Code* 2006 this decade by decade history explores our fascination with paranoia The work paints a vivid picture of several of the more prevalent conspiracy theories and the entertainment they have inspired not only in theatrical films but also in such television series as *The X Files* *Lost* and *V* Cue, 1976 Time, 1975 Six Days of the Condor James Grady, 2011-11-22 The classic spy thriller about corruption in the CIA that inspired the hit film and TV show A master of intrigue John Grisham Sandwiches are a part of Ronald Malcolm s every day but one just saved his life On the day that gunmen pay a visit to the American Literary Historical Society he s out at lunch The society is actually a backwater of the Central Intelligence Agency where Malcolm and a few other bookworms comb mystery novels for clues that might unlock real life diplomatic questions One of his colleagues has learned something he wasn t meant to know A sinister

conspiracy has penetrated the CIA and the gunmen are its representatives They massacre the office and only learn later of Malcolm a loose end that needs to be dealt with Malcolm codename Condor calls his handlers at the agency hoping for a safe haven instead drawing another attempt on his life With no one left to trust he goes on the run But like it or not Malcolm is the only person who can root out the corruption at the highest levels of the CIA This chilling novel of top security gone berserk earned James Grady his reputation as a Grand Master of the spy thriller inspiring legions of imitators as well as the classic Sydney Pollack film *Three Days of the Condor* and the new TV series *Condor* featuring Max Irons Mira Sorvino and Brendan Fraser Library Journal *The Directors: Take two* Robert J.
