Gangel,Warren S. Benson,2002-03-05 A history of Christian education must not be confused with a record of the achievements of the Sunday School The discipline has advanced well beyond that stage and today s sophisticated students fully understand that no proper concept of the history and philosophy of Christian education can be gained without seeing all the ramifications implications and influences that have affected it from pre Christian times to the present So Drs Gangel and Benson have written this book a historical flow of philisophical thought from a Christian point of view Its focus is cultural biographical discussing each philosophy in its particular socio historical setting and giving special attention to significant individuals The format is chronological beginning with education in biblical times working upward through history to arrive at the present and beyond raising questions and issues for the future *Three Thousand Years of Educational Wisdom* Robert Ulich (Ed),1959 **How To Get a Life, Vol. 1: Empowering Wisdom for the Heart and Soul** Lawrence Baines, Ph.D.,Daniel McBrayer, Ph.D.,2003-04 Presented in an easy to digest format with an uplifting message How to Get a Life offers individual chapters on the life views of some of the most important and powerful people in history Written in an engaging style by college professors Lawrence Baines and Daniel McBrayer each chapter contains a brief biographical sketch with that luminary s advice for daily living Take a trip on How to Get a Life and learn easy to understand advice from some of the world s greatest thinkers on The importance of relationships How to get over misunderstandings How to rise above mediocrity What to do when things go wrong Along with topics ranging from God and the universe to conceptions of love sex and death historical figures featured include Martin Luther King Jr Joseph Campbell Bill Wilson Gerda Weissmann Klein Albert Schweitzer Oprah Winfrey Buddha Leo Buscaglia Jane Goodall the Dalai Lama Muhammad Confucius and Richard of St Victor **Three Thousand Years of Educational Wisdom** Robert Ulich,1968 *The Life and Work of Teachers* Christopher Day,Alicia Fernandez,Trond E. Hauge,Jorunn Muller,2005-06-23 Contributors from around the world tackle the

factors that have the greatest impact on creating quality learning opportunities for students namely policy school leadership and teaching teachers lives Drawing on a range of critical conceptual and empirical perspectives the contributions illustrate the extent to which experience can be similar around the world The book sheds much needed light on the effects of mandated change upon school leaders and teachers both nationally and internationally It also demonstrates how teachers have coped or flourished both because and in spite of the changing circumstances they work under

Re-Education - Wisdom - Evolution Liborio Altamore,2017-06-29 In Re education Wisdom Evolution Liborio Altamore stands on the shoulders of the giants of history philosophy and metaphysics to discover what light the past can shed on the problems of the twenty first century By digging deep into history religion philosophy and culture Altamore traces a path for how we can improve the future Kristine Morris Re education Wisdom Evolution opens up the mind to what life really is It is a journey in which the past is revealed through the eyes of perceived history As a student about to take my GCSE exams this book has cleared my mind as to what subjects I want to take and answers questions regarding religion philosophy education science the mind the world around us and many other subjects that arent taught in school but are vital for understanding ourselves and life itself For me this book isnt life described through one mind but hundreds It is a collection of evidence from great books and people through the ages I enjoyed reading it as it is detailed but not difficult to understand It has added depth to my knowledge and understanding of most things and is therefore a must read for anyone looking to learn Jessica Spigler

Essay and General Literature Index ,1948 Includes List of books indexed published also separately *The Pursuit of Wisdom and Happiness in Education* Sean Steel,2014-05-21 Explores the nature and role of wisdom in education Modern scholarship has struggled to come to terms with the meaning of wisdom and its significance in the field of education This book examines the importance of pursuing wisdom in schools by turning to ancient and medieval sources for clarification concerning the nature of wisdom Sean Steel argues that our current emphasis on the development of rigorous critical analytic thinking skills on assessment and on accountability in education has negatively impacted the ability of schools to foster an environment in which both students and teachers might pursue wisdom Although in recent times efforts have been made to incorporate the pursuit of wisdom into schools through Philosophy for Children P4C and contemplative education programming such initiatives have missed their mark Steel therefore recommends not more accountability in education for the purpose of ensuring global competitiveness but rather the institutional promotion of periods of leisure or scholē in the school day Drawing upon his own experiences as a teacher who has tried to encourage students to search for wisdom the author discusses some of the challenges and pitfalls of wisdom seeking He also offers examples of various wisdom seeking activities that might bear fruit in the classroom
