Through Bosnian Eyes:

Through Bosnian Eyes Mirko Pejanović, 2004 Concurrent with the dawn of multiparty politics in 1990 Mirko Pejanovic emerged in Bosnia Herzegovina as the leader of the Socialist Alliance His organization was in charge of implementing policies of the League of Communists This memoir beginning in 1990 tells the story of his experiences as a public and political leader Through Bosnian Eyes covers a decade of Pejanovic s service His role in public life was characterized by an unwavering commitment to national equality and strong convictions regarding the nature of a multiethnic Bosnia Herzegovina As a participant in the most important political events of the time and as a colleague of every major political leader the author conveys a personal history that is memorable for its insights into the neglected world of Serbs who remained loyal to the nation in trying times

Through Bosnian Eyes Mirko Pejanović, 2002 *Inner Zone* Jelena Golubović, 2026-05-19 No detailed description available for Inner Zone

Political, Social and Religious Studies of the Balkans General Editor: Raphael Israeli, Jerusalem, Israel, 2021 Since the end of the Bosnia War in 1995 a tradition was embraced by the West of vilifying the Serbs as the villains and the Muslims as their victims This necessitated the military intervention of the U S and NATO on the Muslim side which caused an untold travesty of justice to the Serbs For indeed there was enough blame to go around to condemn all parties in that war including Serbs Croats and Muslims of committing massacres and huge abuses of the other parties To single out the Serbs as the bad guys simply distorts the facts This collective volume which is the product of a Commission of Inquiry worked 18 months on this project redressing the balance based on a meticulous and well documented report about the process of this inquiry step by step

Sarajevo Robert J. Donia, 2006 Sheds new light on Sarajevo as a cosmopolitan gem deserving of a central role in the world s cultural social and political history

The Civil War in Bosnia and Herzegovina (1992-95) Viktor Bezruchenko, 2022 The war in Bosnia and Herzegovina 1992 1995 was the bloodiest and most savage conflict in post WWII Europe While numerous books and articles on the subject exist this book fills an important void by comprehensively addressing the intricacies of the conflict s political historic military and diplomatic factors The brutal civil war triggered by the demise of Yugoslavia Based on documents and eyewitness accounts the book covers the ideologies hidden agendas military operations covert actions and diplomacy that resulted in the Dayton Peace Accords of 1995 It also includes the geography population and tumultuous history of Bosnia and Herzegovina The author convincingly dispels myths related to the war including pre planned Serbian aggression the siege of Sarajevo the massacres of civilians in the UN safe areas of Srebrenica and epa and Slobodan Milo evi s role

Contested Nationalism Nina Caspersen, 2010-01-01 Only unity saves the Serbs is the famous call for unity in the Serb nationalist doctrine But even though this doctrine was ideologically adhered to by most of the Serb leaders in Croatia and Bosnia disunity characterized Serb politics during the Yugoslav disintegration and war Nationalism was contested and nationalist claims to homogeneity did not reflect the reality of Serb politics This book provides a comprehensive analysis of Serb politics

and challenges widespread assumptions regarding the Yugoslav conflict and war. It finds that although Slobodan Milosevic played a highly significant role he was not always able to control the local Serb leaders. Moreover, it adds to the emerging evidence of the lack of importance of popular attitudes: hardline dominance was generally based on the control of economic and coercive resources rather than on elites successfully playing the ethnic card. It moves beyond an assumption of automatic ethnic outbidding and thus contributes toward a better understanding of intra-ethnic rivalry in other cases such as Israel, Palestine, Northern Ireland, Nagorno Karabakh, and Rwanda.

Return Sue Balint, 2007. With his sudden reappearance, those he left must now reconcile their love for Tarik with their anger at his betrayal.

RETURN: The Sarajevo Project is a unique international co-creation developed by an ensemble of Canadian and Bosnian theatre artists. Created by Sue Balint, Daryl Cloran, Alena Dzebo, Holly Lewis, Christopher Morris, Tanja Smoje, and Dylan Trowbridge.

Genocide and Resistance in Hitler's Bosnia Marko Attila Hoare, 2006-12-14. A study of revolution, genocide, and national identity in Bosnia Hercegovina during World War II. This volume explains the course and outcome of the civil war between two rival guerrilla movements: the Partisans and the Chetniks. A chronological narrative history of the Bosnian Partisan movement describes how it evolved and emerged victorious.

The tenth anniversary of the Dayton Peace Agreement in December 2005 provides a unique occasion to review its achievements and shortcomings as well as future challenges to be faced both by the international community and Bosnia and Herzegovina itself. The country has received huge amounts of attention and inquiry; this book outlines some basic trends focusing on three essential issues: democratisation and transitions, processes of country ownership, and potential turning points. These issues are addressed in a non-dogmatic way in the spirit of constructive criticism. The conclusion is that both the EU and Bosnia must take their opportunities and responsibilities now.
