Through Ebony Eyes Monét R,2025-01-22 Through Ebony Eyes is a powerful collection of poetry that celebrates the beauty resilience and complexity of the Black experience From the depths of heartbreak to the warmth of Black love it explores themes of identity strength and the unshakable bonds within the Black community These poems shine a light on the desire to be seen valued and celebrated not as a side story but as the main character in life Through vivid imagery and raw emotion Through Ebony Eyes captures the joy pain and power of being unapologetically Black in a world that often tries to dim that light This collection speaks to both young adults and adults offering words of reflection hope and empowerment for anyone seeking to embrace their truth *The Dreamkeepers* Gloria Ladson-Billings,2013-02-22 In the second edition of her critically acclaimed book *The Dreamkeepers* Gloria Ladson Billings revisits the eight teachers who were profiled in the first edition and introduces us to new teachers who are current exemplars of good teaching She shows that culturally relevant teaching is not a matter of race gender or teaching style What matters most is a teacher s efforts to work with the unique strengths a child brings to the classroom A brilliant mixture of scholarship and storytelling *The Dreamkeepers* challenges us to envision intellectually rigorous and culturally relevant classrooms that have the power to improve the lives of not just African American students but all children This new edition also includes questions for reflection Ebony Angel Deatri King Bey,2007-02-01 *Ebony* Washington is about to finish graduate school and move her child out of the gang infested drug ridden west side Chicago neighborhood they live in She meets Richard Pacini on the elevated train and they hit it off instantly they have complementing goals and personalities they have the same outlook on life and they have a mutual attraction for each other *Ebony* refuses to allow her meddling friends or the father of her child Trae to keep her from pursuing a relationship with Richard or leading her life as she sees fit Richard is speeding along a career path most would envy but he isn t happy He longs to have a loving family When he meets *Ebony* on the train he believes his prayers have been answered Battling over his decisions with his mother is the norm for Richard Dealing with people as manipulative as Trae is a whole new story Richard knows *Ebony* is his angel and no one will keep them apart Trae would die before letting some white

guy steal his woman But he knows Ebony won't even consider taking him back as long as he is selling drugs Now he has two missions break up Ebony and Richard and become the man Ebony wants *Ebony Eyes* Kei Swanson,2006 Bookstore owner Corie Rickman's evil ex has come back looking for the evidence she kept of his criminal activity Japanese American police lieutenant Laine Tanizaki is working undercover to atone for a mistake and as soon he and Corie meet the attraction begins But will it end when each learns the other's secret , **The Ebony Eye** Jeff Sampson,2007 Now that Sindri knows who has been trying to kill him he sets off on a mission to find out why But the friends who accompany him have confusing motivations The black robed wizard Maddoc has lied to Sindri one too many times And the renegade hunter who once vowed to imprison Sindri now acts like a true friend As Sindri and his friends break into a mechanical maze guarded by a frightening gorgon the kender apprentice must tackle a grave lesson how not to trust Cover *Ebony Arose* Vicky J. Siegrist,2009-06 **When the Smoke Clears** Marquis "Cream" Cureton,2012-08-15 Virginia is for lovers but in the heartless and unforgiving streets of Virginias 7even Cities where disillusioned hustlers pitch narcotics on project blocks without a conscience disgruntled stick up kids terrorize the streets with their ambitions attached to ski masks and twin pistols and dispirited young females strip themselves of their self worth and sell their most sacred possessions all for a piece of the Devils Pie love is an ideal often spoke about but seldom seen The 7even Cities where the disenfranchised take to the streets to obtain the American Dream of lavish homes luxury automobiles and tailored garments while the aristocracy relentlessly aim to squander their hopes with oppressive laws and a multi million dollar penal system This is Virginia through the clairvoyant eyes of Marquis Cream Cureton in his classic debut novel *When the Smoke Clears* An Urban Novel Inspired by true events Cream narrates the story of Secoya Smoke Harris a promising college basketball player with ambitions as vast as the oceans are blue who tip toed the fine line between success and the streets Originally from the gang infested streets of Compton California Smoke can't resist the lure of the underworld of the 7even Cities and in one costly decision finds himself incarcerated in Virginias Department of Corrections and marked for death by his big homie His basketball career ruined and future bleak Smoke apprehensively makes the decision to dive head first into the streets and get money the only way he sees possible trafficking marijuana Beef inevitable bodies dropping and indictments looming Smoke drowns himself in a cloud of haze from the finest bud California has to offer in order to escape the harsh reality that in the streets nothing lasts forever and no one ever wins there are only those that survive the game and live to tell about it behind penitentiary walls and those that lose taking their last breath in the streets Which side will Smoke find himself Only God knows *When the Smoke Clears*

Jeannette's Life Through Ebony's Eyes Jeannette Gunn,Elona Washington,2018-03-23 What would provoke a young woman to pursue life as an exotic dancer Jeannette Gunn did not have a troubled childhood but still this young Catholic school graduate who had been raised in a loving household made the conscious decision to do so Jeannette's dance name and alter ego was called Ebony Ebony spent years exploiting her natural beauty and sex appeal and as a consequence made a

myriad of wrong choices Jeannette paid for them all As Jeannette journeyed through life embracing her alter ego Ebony she rose from being a stripper to becoming part owner of a strip club But it was the struggle and heartbreak that caused her to learn her most valuable lesson Her richest gift isn't her beauty or sex appeal it's her heart And it was her Catholic faith which eventually led her to leave the life and reinvent herself once again The illustrious poet S J Petterson wrote with great beauty comes great pain Jeannette's Life Through Ebony's Eyes is a candid and intimate look into one woman's heroic journey to mental emotional and spiritual maturity This is not a story about money it's a memoir about healing and turning your mistakes into a message It is Jeannette's hope that her life lessons will help in the lives of everyone who reads it
