Mahimasanhita Jagadguru Ramanandacharya Narendracharya, On the vast canvas of Indian civilization a grantha is not merely an arrangement of letters or a catalogue of information it is a living samskara a conscious heritage transmitted from one generation to the next When in the unbroken flow of time the accumulated wealth of culture begins to fade it is the grantha that becomes the lamp of knowledge dispelling the darkness of forgetfulness Goveswara Mahima Sanhita shaped at the sacred confluence of history religion philosophy and lived tradition is a humble endeavor to trace such a timeless lineage It is not merely a book it is a scholarly interpretation of the inner journey of the land of Gomantak and of the boundless Shiva principle flowing through its very veins Ordinarily a work of such breadth and research oriented nature is prefaced by a distinguished scholar or a spiritual luminary However considering the expansive scope of this work its wide canvas of eleven chapters and the auspiciously determined moment of its publication I have chosen without awaiting an external foreword to engage directly with the reader as the author This introduction is not an expression of self assertion but a guiding map offered to those who wish to enter this jnana yajna The Core Vision and Foundation of the Work The purpose behind composing Goveswara Mahima Sanhita is not confined merely to narrating the constructional history of a temple The central essence of this work lies in the quest for the existence of the Gomantak land itself In modern times Goa is often viewed solely within the framework of foreign rule yet when one looks beyond those blurred confines this land reveals itself adorned with pre Vedic tribes Vedic culture Puranic traditions and the splendor of resplendent royal powers The soil in which ancient tribes such as the Kol Naga and Kunbi sowed the seeds of faith later resounded with the hymns of the Vedas Even amid the fierce devastation of Portuguese invasions those who held their family deities close to their hearts embody the unshakable devotion of the Gomantak community this text seeks to give voice to that steadfast faith The Goveswara Mahashiva Temple is not merely an edifice of stone and brick it is a symbolic restoration of cultural memories suppressed over centuries Back to Godhead ,1997 **Theistic Vedānta** R. Balasubramanian,2003 The Important Message Of All Vedantic Systems Is That The Understanding Of The Nature Of Brahman As The Source And Support Of All Beings Must Culminate Not Only In A New Vision But Also In A New Way Of Lige This Volume On Theistic Vedanta Which Is A Sequel To The Earlier Volume On Advaita Vedanta Contains Three Sections The First One Explains The Heritage Of Saivism And Vaisnavism The Second One Highlights The God Man World Relation Through A Variety Of Doctrines And Arguments As Formulated By The Illustrious Preceptors Of Vaisnava And Saiva Traditions And The Third One Gives As Account Of The Teachings And Practices Of The Mystic Saints Who Authenticated The Heritage Through Varieties Of Spiritual Experience This Volume Will Be Of Interest For All Those Who Are Concerned With The Vedic Agamic Heritage Which Has Gone Through A Long Span Of Time Retaining
