Vampire Twins Bloodlines:

Bloodlines Janice Harrell, 2023-11-21 Ari and Paul Montclair aren't like other teenagers in this first novel of a spine-tingling series about a family secret that's about to be spilled. Sixteen-year-old twins Ari and Paul Montclair have grown up in New Orleans without a father. The only family they've ever known is their mother and a mysterious aunt in Washington DC. And when their mother is killed in a tragic car wreck, Aunt Gabrielle is the only person who can help them. Whisked away from their beloved home, Ari and Paul find themselves in a world of wealth and privilege. Aunt Gabrielle supposedly teaches night classes but she lives in a beautiful townhouse, drives an expensive car, and sends the twins to a prestigious high school. Her days are spent taking beauty sleeps. But who are Ari and Paul to judge? Both see numbers in colors and have frightening visions. Their family just might be a little weird. Or they could be part of something much bigger and bloodier than they ever could have imagined. Don't miss *Bloodlust*, the second book in the Vampire Twins series.

Since her twin Paul has surrendered to his own dark urges, she's better off starting a whole new life under the radar, even if that means her friends and boyfriend think she's dead. Paul, on the other hand, has escaped with his aunt's hidden treasure of vampire gold, which he has no intention of sharing with his father, who has become more unstable than ever. Yet even with freedom and wealth, he longs for more. If only Ari were at his side, his never-ending life would be perfect. He will do anything to change her, forcing a showdown that just might cost Ari much more than her soul.
