Elliott Michaelson

Vanguard One Harbinger:

Harbinger David Mack, 2012-09-18 Imagine *Alias* combined with *Star Trek* and you have the idea behind for VANGUARD a new concept for *Star Trek* fiction that takes it in a compelling new direction presenting a new perspective on the classic Original Series era with novels running parallel to Kirk's original five year mission VANGUARD is a Starfleet space station charged with the exploration and colonization of a region of space that holds a highly coveted mysterious and potentially cataclysmic secret one that the Federation must solve before anyone else The race is on and at the centre of this intrigue is an eclectic mix of Starfleet and civilian protagonists unlike any crew previously seen in *Star Trek* Their turbulent lives aboard the station and on the ships they travel are painted against the backdrop of an evolving storyline that will gain momentum as the series progresses and the layers of ancient mystery are steadily peeled back one after another Radical Spirits Ann Braude, 2020-05-25 Braude has discovered a crucial link between the early feminists and the spiritualists who so captured the American imagination *Los Angeles Times* In *Radical Spirits* Ann Braude contends that the early women's rights movement and Spiritualism went hand in hand Her book makes a convincing argument for the importance of religion in the study of American women's history In this new edition Braude discusses the impact of the book on the scholarship of the last decade and assesses the place of religion in interpretations of women's history in general and the women's rights movement in particular A review of current scholarship and suggestions for further reading make it even more useful for contemporary teachers and students It would be hard to imagine a book that more insightfully combined gender social and religious history together more perfectly than *Radical Spirits* Braude still speaks powerfully to unique issues of women's creativity spiritual as well as political in a superb account of the controversial nineteenth century Spiritualist movement Jon Butler Howard R Lamar Professor Emeritus of American Studies History and Religious Studies at Yale University Continually rewarding *The New York Times Book Review* A fascinating well researched and scholarly work on a peripheral aspect of the rise of the American feminist movement *Library Journal* A vitally important book that has influenced a generation of young scholars Marie Griffith associate director of the Center for the Study of Religion Princeton University An insightful book and a delightful read *Journal of American History* Harbinger's End (Book 3) Elliott Michaelson, 2014-04-30 *The Champion of Chaos* has overrun the continent of Halcyon and humanity's future hangs precariously As the remnant of a once thriving civilization struggles for survival the people of Halcyon resign themselves to the possibility that by the time the Savior of Order arrives there may be nothing left to save Meanwhile a broken and beaten Duncan Milius wakes up to a shattered world The people desperately look to him for leadership even as he battles his own inner crisis Unsure of who he is and terrified of what he might become he must face the truth that the choices he makes will come with great personal costs During the final days of a world beyond time and imagination the fate of Halcyon will be decided by unexpected alliances and impossible sacrifices Endgame is the last chapter in the *Harbinger's End* cycle *Harbinger's End* Elliott Michaelson, 2011-06 A

thousand years ago as a group of citizens gather in the center square of Halcyon twelve giant visitors appear to warn the crowd of an impending chaos that will determine the future of their world The visitors quickly vanish leaving the residents confused and frightened Everyone has unknowingly just witnessed the Great Epiphany Now a shadow lies over the future of Halcyon as the omen uttered a thousand years ago reaches its conclusion While the people of Halcyon remain divided the Champion of Chaos is gathering strength Fearing that dark chaos is looming the leaders of the Circle and the religion of Assize begin a secret search for signs of the fabled Savior of Order Meanwhile Duncan Milius an officer in Halcyon s elite military force struggles to find his place in a world that considers his people outcasts But he cannot avoid the monumental events that will soon propel him to the forefront of his world s struggle for survival During the final days of a world beyond time and imagination the residents of Halcyon will soon realize that their dream for their future is not only worth fighting for but worth living for regardless of the personal cost

Harbinger's End (Book 2) Elliott Michaelson,2014-04-30 The Champion of Chaos has landed its forces on the shores of Halcyon and the battle for humanity s survival has begun Overwhelmed and unprepared Halcyon s divided factions scramble to respond to a threat against which none of them are ready to meet As the leaders of the Circle and the religion of Assize search desperately for the fabled Savior of Order the great fortress of Valor s Keep braces for a war of unprecedented magnitude Meanwhile Duncan Milius finds his loyalty increasingly divided between his duty to the military his outcast Teivan heritage and his yearning for a normal life with the woman he loves But he cannot avoid the monumental events that will soon propel him to the forefront of his world s struggle for survival In the waning days of a world beyond time and imagination the residents of Halcyon will soon realize that their dream for their future is not only worth fighting for but worth living for regardless of the personal cost
