## Willful Ways:

**Hearings before the Committee on Ways and Means, House of Representatives, seventy-first Congress, second session on H.R. 10561** United States Congress. House. Committee on Ways and Means, 1930      **Autoethnography and the Other** Tami Spry, 2016-03-31 Challenging the critique of autoethnography as overly focused on the self Tami Spry calls for a performative autoethnography that both unsettles the I and represents the Other with equal commitment Expanding on her popular book *Body Paper Stage* Spry uses a variety of examples literary forms and theoretical traditions to reframe this research method as transgressive liberatory and decolonizing for both self and Other Her book draws on her own autoethnographic work with jazz musicians shamans and other groups outlines a utopian performative methodology to spur hope and transformation provides concrete guidance on how to implement this innovative methodological approach

*Cinema off/for the Anthropocene* Katarzyna Paszkiewicz, Andrea Ruthven, 2025-01-31 *Cinema of for the Anthropocene* sheds new light on the question of how films can allow us to resituate ourselves within what is known today as the Anthropocene The authors address this question through a variety of disciplines and theoretical perspectives from film and cultural studies new materialisms critical posthumanism and animal studies critical race theory and Indigenous media studies to gender and sexuality studies with a primary focus on films produced in the United States and Canada The volume moves beyond the mere acknowledgment of the devastating damage inflicted during the Anthropocene to think about new ways of inhabiting the world through concepts such as affect response ability and more than human kinship The writers in this collection respond to its invitation by addressing a range of genres and modes thus complicating the apocalyptic discourses which have typically been central to the studies on the Anthropocene in addition to dystopian films the volume discusses animated films Hollywood biopics climate change documentaries experimental film comedy horror sci fi as well as disease thriller and survival film Taken together the chapters offer cross disciplinary readings of the cinema of for the Anthropocene showing ways in which it can help us re orient our thinking to make sense of the current age and address the planetary scale environmental catastrophe This volume will appeal to researchers and students in film studies cultural studies and the burgeoning field of environmental humanities      How We Make Each Other Perry Zurn, 2024-12-06 Trans people have always lived in the cracks of institutions and the university is no exception In *How We Make Each Other* Perry Zurn tells the stories of how trans people make and live their lives at the edges of the university in ways that sometimes lead to policy change but always leave participants and institutions different than they were before Using the Five Colleges in Massachusetts as a case study Zurn notes that Amherst College Hampshire College Mount Holyoke College Smith College and the University of Massachusetts Amherst have been at the forefront of developing trans inclusive policies in higher education often in response to student organizing Zurn focuses on the stories of trans students staff faculty and community members within and alongside these institutions exploring how they have built themselves and each other Drawing on official

archives as well as over 100 interviews Zurn shows how trans people in the Five Colleges have made history forged resistance habits and cultivated hope
