**Stephen B. Oates**

## **William Faulkner :**

*Uncollected Stories of William Faulkner* William Faulkner, 2011-05-18 This invaluable volume which has been republished to commemorate the one hundredth anniversary of Faulkner's birth contains some of the greatest short fiction by a writer who defined the course of American literature. Its forty-five stories fall into three categories: those not included in Faulkner's earlier collections, previously unpublished short fiction, and stories that were later expanded into such novels as *The Unvanquished*, *The Hamlet*, and *Go Down, Moses*. With its Introduction and extensive notes by the biographer Joseph Blotner, *Uncollected Stories of William Faulkner* is an essential addition to its author's canon as well as a book of some of the most haunting, harrowing, and atmospheric short fiction written in the twentieth century. [Collected Stories of William Faulkner](#)

William Faulkner, 2011-05-18 I'm a failed poet. Maybe every novelist wants to write poetry first, finds he can't, and then tries the short story, which is the most demanding form after poetry. And failing that, only then does he take up novel writing.

William Faulkner, Winner of the National Book Award. Forty-two stories make up this magisterial collection by the writer who stands at the pinnacle of modern American fiction. Compressing an epic expanse of vision into hard and wounding narratives, Faulkner's stories evoke the intimate textures of place, the deep strata of history and legend, and all the fear, brutality, and tenderness of the human condition. These tales are set not only in Yoknapatawpha County but in Beverly Hills and in France during World War I. They are populated by such characters as the Faulknerian archetypes Flem Snopes and Quentin Compson, as well as by ordinary men and women who emerge so sharply and indelibly in these pages that they dwarf the protagonists of most novels. [William Faulkner, His Life and Work](#) David L. Minter, 1980 Shows the relationship between the troubled life and the outstanding writing of a noted 20th-century American author. [The Life of William Faulkner](#) Carl Rollyson, 2020-09-22 By the end of volume 1 of *The Life of William Faulkner*, a filling, satisfying feast for Faulkner aficionados. Kirkus: the young Faulkner had gone from an unpromising, self-mythologizing bohemian to the author of some of the most innovative and enduring literature of the century, including *The Sound and the Fury* and *Light in August*. The second and concluding volume of Carl Rollyson's ambitious biography finds Faulkner lamenting the many threats to his creative existence. Feeling as an artist he should be above worldly concerns and even morality, he has instead inherited only debts, a symptom of the South's faded fortunes and numerous mouths to feed and funerals to fund. And so he turns to the classic temptation for financially struggling writers: Hollywood. Thus begins roughly a decade of shuttling between his home and family in Mississippi, lifeblood of his art, and the backlots of the Golden Age film industry. Through Faulkner's Hollywood years, Rollyson introduces such personalities as Humphrey Bogart and Faulkner's long-time collaborator Howard Hawks, while telling the stories behind films such as *The Big Sleep* and *To Have and Have Not*. At the same time, he chronicles with great insight Faulkner's rapidly crumbling, though somehow resilient, marriage and his numerous extramarital affairs, including his deeply felt, if ultimately doomed, relationship with Meta Carpenter. In his grief over their breakup, Faulkner, a dipsomaniac,

capable of ferocious alcoholic binges received third degree burns when he passed out on a hotel room radiator Where most biographers and critics dismiss Faulkner s film work as at best a necessary evil at worst a tragic waste of his peak creative years Rollyson approaches this period as a valuable window on his artistry He reveals a fascinating previously unappreciated cross pollination between Faulkner s film and literary work elements from his fiction appearing in his screenplays and his film collaborations influencing his later novels fundamentally changing the character of late career works such as the Snopes trilogy Rollyson takes the reader on a fascinating journey through the composition of Absalom Absalom widely considered Faulkner s masterpiece as well as the film adaptation he authored unproduced and never published Revolt in the Earth He reveals how Faulkner wrestled with the legacy of the South both its history and its dizzying racial contradictions and turned it into powerful art in works such as Go Down Moses and Intruder in the Dust Volume 2 of this monumental work rests on an unprecedented trove of research giving us the most penetrating and comprehensive life of Faulkner and providing a fascinating look at the author s trajectory from under appreciated writer s writer to world renowned Nobel laureate and literary icon In his famous Nobel speech Faulkner said what inspired him was the human ability to prevail In the end this beautifully wrought life shows how Faulkner the man and the artist embodies this remarkable capacity to endure and prevail

**Myself and the World** Robert W. Hamblin,2016-06-02 William Faulkner 1897 1962 once said of his novels and stories I am telling the same story over and over which is myself and the world This biography provides an overview of the life and career of the famous author demonstrating the interrelationships of that life centered in Oxford Mississippi with the characters and events of his fictional world The book begins with a chapter on Faulkner s most famous ancestor W C Falkner the Old Colonel who greatly influenced both the content and the form of Faulkner s fiction Robert W Hamblin then proceeds to examine the highlights of Faulkner s biography from his childhood to his youthful days as a fledgling poet through his time in New Orleans the creation of Yoknapatawpha the years of struggle and his season of prolific genius and through his time in Hollywood and his winning of the Nobel Prize The book concludes with a description of his last years as a revered author cultural ambassador and university writer in residence In his Nobel Prize acceptance speech Faulkner spoke of the agony and sweat of the human spirit that goes into artistic creation For Faulkner that struggle was especially acute Poor and neglected for much of his life suffering from chronic depression and alcoholism and unhappy in his personal life Faulkner overcame tremendous obstacles to achieve literary success One of the major themes of his novels and stories remains endurance and his biography exhibits that quality in abundance Faulkner the man endured and ultimately prevailed

**William Faulkner, the Man and the Artist** Stephen B. Oates,1987 A biography of the American novelist and short story writer [A Reader's Guide to William Faulkner](#) Edmond L. Volpe,2003-02-01 A standard reference work in American literature this volume is the most complete and detailed guide to the novels of William Faulkner Edmond L Volpe s aim is to reveal the greatness of Faulkner s art and the scope and profundity of his personal vision of life He describes the dominant

patterns in the fiction by isolating Faulkner's major themes and by analyzing his narrative techniques and style. He then offers extensive individual interpretations of the nineteen novels tracing the development of Faulkner's ideas and includes a set of genealogical tables for each major family in the novels. Both scholarly and accessible, this unique treatment of Faulkner's novels from *Soldiers Pay* to *The Reivers* helps the reader come to a thorough understanding of a great American writer.

**William Faulkner** David Minter, 1997-10-16 Shows the relationship between the troubled life and the outstanding writing of a noted 20th century American author

**The Novels of William Faulkner** Olga W. Vickery, 1995-04-01 Vickery's analyses of the structure of the novels are often nothing less than brilliant. These are acts of genuine critical perception which pass from explication to illumination. *Dalhousie Review*. When Olga W. Vickery's revised edition of *The Novels of William Faulkner* appeared in 1964, two years after Faulkner's death, it was immediately hailed by reviewers. Thirty years later, Vickery's work remains the preeminent interpretation of Faulkner in the formalist critical tradition while it inspires Faulknerians of all methodologies. Part One contains detailed analyses of every novel from *Soldiers Pay* to *The Reivers* with particular emphasis on elucidation of character, theme, and structural technique. Part Two discusses interrelated patterns and preoccupations in Faulkner's writing generally. *The Novels of William Faulkner* continues to be of enormous benefit and delight to readers and scholars.

**William Faulkner** Cleanth Brooks, 1989-12-01 Hailed by critics and scholars as the most valuable study of Faulkner's fiction, Cleanth Brooks's *William Faulkner: The Yoknapatawpha Country* explores the Mississippi writer's fictional county and the commanding role it played in so much of his work. Brooks shows that Faulkner's strong attachment to his region, with its rich particularity and deep sense of community, gave him a special vantage point from which to view the modern world. Brooks's consideration of such novels as *Light in August*, *The Unvanquished*, *As I Lay Dying*, and *Intruder in the Dust* shows the ways in which Faulkner used Yoknapatawpha County to examine the characteristic themes of the twentieth century. Contending that a complete understanding of Faulkner's writing cannot be had without a thorough grasp of fictional detail, Brooks gives careful attention to what happens in the Yoknapatawpha novels. He also includes useful genealogies of Faulkner's fictional clans and a character index.

**The World of William Faulkner** W. Miner, 2025-10-23 In *The World of William Faulkner*, Ward L. Miner offers a compact yet insightful study of Faulkner's literary universe: how the writer's Mississippi roots, psychological intensity, and narrative daring fused into a single, haunting voice. Originally published in 1952, with later editions in 1963, Miner explores how place, memory, and moral conflict recur in Faulkner's fiction, from the dusty backroads of Yoknapatawpha County to the swirling shadows of inner consciousness. Miner situates Faulkner's work in its regional and historical context, examining how race, tradition, and change inform his characters' tragedies and resilience. He pays special attention to recurring motifs: time, family, guilt, and the South's troubled legacy, revealing how Faulkner's imagination draws from both the land and the inherited dramas of a fractured society. With clarity and respect, Miner argues that to understand Faulkner is to enter a world where language itself becomes a terrain of remembrance and moral

reckoning Though just 170 pages in many editions Miner packs dense insight into each chapter making this guide a superb companion to reading *The Sound and the Fury* *As I Lay Dying* *Light in August* and beyond For students and readers drawn into Faulkner's shadows *The World of William Faulkner* remains a dependable map through a difficult and luminous literary terrain

**Selected Letters of William Faulkner** William Faulkner, 1977 A collection of letters written by William Faulkner over a period extending from 1918 to 1962

William Faulkner Linda Wagner-Martin, 1973

**Faulkner's Short Stories** James B. Carothers, William Faulkner, 1985 *My Mother is a Fish* William Faulkner, Janet C.

Nosek, 2000 This book is a powerful discussion of the novels short stories and poems of William Faulkner Intended for both the general reader as well as those already fully acquainted with his work *My Mother is a Fish* illustrates the wisdom and genius of this great modernist of classical twentieth century American Literature Janet C Nosek provides a personal commentary on quotations and short passages that show the wide range of style language themes and connections found in Faulkner's fiction Both instructive and entertaining this book will be of great interest to literary scholars and a helpful ancillary text as well

**William Faulkner** M. Thomas Inge, 1995-02-24 This book the first comprehensive collection of contemporary published reactions to the writing of William Faulkner from 1926 to 1962 documents the response of reviewers to specific works and chronicles the development of Faulkner's reputation among the nation's book reviewers The material presented here clarifies the development of Faulkner's literary career and provides a fuller understanding of the part played by book reviewing in the sales promotion and success of American literature

**Becoming Faulkner** Philip Weinstein, 2009-11-20 William Faulkner was the greatest American novelist of the twentieth century yet he lived a life marked by a pervasive sense of failure Throughout his career he remained haunted by his inability to master a series of personal and professional challenges his less than heroic military career the loss of his brother in an airplane crash a disappointing stint as a Hollywood screenwriter and a destructive bout with alcoholism In this imaginative biography Philip Weinstein a leading authority on the great novelist targets Faulkner's embattled sense of self as central to both his life and his work Weinstein shows how Faulkner's troubled interactions with time place and history with antebellum practices and racial division take on their fullest meanings in his fiction Exploring the resonance of his own unpreparedness Faulkner invented a singular language that captured human consciousness under stress as never before *Becoming Faulkner* joins Faulkner's life and art in a bold new way giving readers a full vantage from which to better understand this twentieth century literary genius Weinstein shows how Faulkner's troubled interactions with time place and history with antebellum practices and southern heritage form a pattern that played out over the course of his entire life At the same time these incidents take on their fullest meanings in his fiction It was in meditating on his failures his own unreadiness Weinstein argues that Faulkner came up with his singular language one that captured human consciousness under stress as never before His fruitless striving catapulted American literature to a new level of sophistication Narrating the events that comprised

Faulkner's life biographers have long struggled to depict his personal complexity the paradoxes that shaped his decisions and dogged his relationships But without a consideration of the writing as well the troubles in the life fail to reveal their deeper resonance By skillfully analyzing the work while tracing the events Weinstein achieves a full portrait revealing struggles that animate his life and shadows that complicate his work *Becoming Faulkner* thus conjoins Faulkner's life and art in a bold new way giving readers a full vantage from which to better understand this twentieth century literary genius *William*

*Faulkner* John Earl Bassett,1975 It appears that Faulkner's difficulty and innovativeness more than anything else precluded more widespread approval before World War II as similar qualities have limited more recently the readership of Pynchon and Hawkes His style combines the rhetorical extravagance of the Renaissance and the nineteenth century with the rhetorical discontinuity of modernism and filters them through the alembics of a Mississippi drawl and the common ramble of everyday speech To some his original methods and involuted style if comprehended at all seemed mere technical virtuosity He did have support among writers and critics several of whom considered him the most exciting literary figure of the day Introduction

William Faulkner Hyatt H. Waggoner,2021-09-15 Combining explications of William Faulkner's novels and short stories with thematic analysis Hyatt H Waggoner works from the close reading of a specific work outward to its most general meanings and relationships By this method he has made a significant contribution to the understanding of Faulkner's career and artistic achievement Waggoner examines both better and lesser known works which yield valuable insights into Faulkner's development when treated in relation to his whole body of work The author also addresses the major themes which emerge from critical analyses of individual works Faulkner's uneasy relationship with his Christian background and his unchanging conception of the role of the artist related to his changing practice as a writer Waggoner concludes that Faulkner's artistic career reflects a creatively productive but tortured and ambiguous relationship with his community *William Faulkner*

William Faulkner,2018-10-02 The ultimate Faulkner 19 novels in newly restored texts complete in a five volume Library of America boxed set Masterfully edited by Joseph Blotner and Noel Polk and presented for the first time in a deluxe five volume boxed set the Library of America edition of William Faulkner's complete novels restores passages that were altered or expurgated by the original publishers and corrects errors made by the original typesetters Here are nineteen novels in all Novels 1926 1929 1 180 pages *Soldiers Pay Mosquitoes Flags in the Dust Sartoris The Sound and the Fury* Novels 1930 1935 1 034 pages *As I Lay Dying Sanctuary Light in August Pylon* Novels 1936 1940 1 117 pages *Absalom Absalom The Unvanquished If I Forget Thee Jerusalem The Wild Palms The Hamlet Snopes Trilogy I* Novels 1942 1954 1 115 pages *Go Down Moses Intruder in the Dust Requiem for a Nun A Fable* Novels 1957 1962 1 117 pages *The Town Snopes Trilogy II The Mansion Snopes Trilogy III The Reivers A Reminiscence*

## Unveiling the Magic of Words: A Review of "**William Faulkner** "

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring. Enter the realm of "**William Faulkner** ," a mesmerizing literary masterpiece penned by way of a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve into the book is central themes, examine its distinctive writing style, and assess its profound impact on the souls of its readers.
