Martina Olonschek,Klaus Köhring,2007-06-20 Literature Review from the year 2006 in the subject English Language and Literature Studies Literature grade 2 0 Carl von Ossietzky University of Oldenburg course Einführung in die englische Literatur language English abstract Analysis of the passage in the text Penguin page 25 Willy Bernard is not well liked is he page 27 Willy What do we owe This passage from the first act of Arthur Miller s drama *Death of a Salesman* displays one of the numerous flashbacks of Willy Loman who represents the main character and moreover a complex round character With this reflection of the past the reader or spectator is able to share in Willy s and his former family life a family life that is harmonious easy joyful or simply all in all perfect For Willy this ideal world is very important as ideals are in general He

places special value on a good image which can be seen in the very first question of the passage Bernard is not well liked is he which he addresses to his sons Biff and Happy With the simile you re both built like Adonais 1 which Willy is thankful for and moreover very proud of and the statement that his sons are going to be five times ahead of Bernard 1 because of their appearance it becomes clear that he is of the opinion that attractiveness which results in personal interest 1 and popularity is the only way to become big in business which is pretty unrealistic already because good grades are necessary to enrol in college and contents taught in college are in the majority of cases necessary to become big in business It is furthermore visible that Willy builds his hopes on Biff and Happy For them he is a role model and he seems really confident of being a good one Be liked and you will never want You take me for instance I never have to wait in line He is also sure of the fact that he is well known and welcome everywhere he goes which is indicated by the following statement Willy Loman is here That s all they have to know Another pleasure in Willy s life is to share his work with his sons by telling them stories about it He then tends to exaggerate as it is seen in his self praise hyperbole knocked em cold in Providence slaughtered em in Boston 3 in order to bring his business success near to them *Willy Loman's False Values and Misguided Dreams* Florian König,2009-11-05 Seminar paper from the year 2007 in the subject American Studies Literature grade 1 0
