**R.W. Ortung, A. Makarychev**

## **Terror Connection:**

*Criminals and Terrorists in Partnership* Helena Carrapico, Daniela Irrera, Bill Tupman, 2017-10-02 The nexus between terrorism and organised crime consists of a strategic alliance between two non state actors who are able to exploit illegal markets threaten the security of individuals and influence policy making on a global level Recent Europol reports have pointed towards the importance of studying the links between organised crime and terrorist groups and have underlined that the nature and extent of these connections have seldom been addressed from an academic perspective Considering the danger that both organised crime and terrorism currently pose to the world the collusion between these two phenomena is of urgent contemporary interest Basing itself on geographical case studies this book contributes to the existing literature in three ways by enriching the empirical knowledge on the nature of the crime terror nexus and its evolution by exploring the impact of the nexus within different economic political and societal contexts and by expanding on its theoretical conceptualization This book was originally published as a special issue of *Global Crime* ***Narcotics and Terrorism*** Robert B. Charles, 2004 Explains the changes that have occurred in national security strategies since the attacks on September 11 2001 concerning narcotics and terrorism ***National Counter-Terrorism Strategies*** R.W. Orttung, A. Makarychev, 2006-12-19 This publication discusses and compares various reactions to the challenges of mass scale terrorism Five countries are at the centre of the research The United States Great Britain France Turkey and Russia each of them being a victim of multiple terrorist attacks This volume is grounded in a conceptual presumption that the countries directly affected by terrorism produce different types of responses Of course there is much in common in all five country cases but the most interesting part of the research exercise is identifying the divergences Based upon this comparative analysis th

*Saudi Arabia and the Global Islamic Terrorist Network* S. Stern, 2011-11-03 Saudi Arabia influences American policy through both conventional and unconventional methods all due to the petro dollars that have been generated from America s addiction to foreign oil With chapters written by renowned experts this book uses first hand accounts to explore this vast influence ***Fresh Perspectives on the 'War on Terror'*** Miriam Gani, Penelope Mathew, 2008-07-01 On 20 September 2001 in an address to a Joint Session of Congress and the American people President George W Bush declared a war on terror The concept of the war on terror has proven to be both an attractive and a potent rhetorical device It has been adopted and elaborated upon by political leaders around the world particularly in the context of military action in Afghanistan and Iraq But use of the rhetoric has not been confined to the military context The war on terror is a domestic one also and the phrase has been used to account for broad criminal legislation sweeping agency powers and potential human rights abuses throughout much of the world This collection seeks both to draw on and to engage critically with the metaphor of war in the context of terrorism It brings together a group of experts from Australia Canada the United Kingdom France and Germany who write about terrorism from a variety of disciplinary perspectives including international law and international relations

public and constitutional law criminal law and criminology legal theory and psychology and law [370: Undoing the Unjust](#) BlueKraft Digital Foundation,2025-08-08 The most definitive account of how Article 370 was abrogated The inside story of how Prime Minister Narendra Modi turned the seemingly impossible into a reality An eye opening read on the damage Article 370 inflicted on Jammu and Kashmir A book that will interest diverse readers including students scholars and historians Introduced in October 1949 Article 370 turned out to be a long standing permanent temporary provision till 5 August 2019 when it was abrogated by the Parliament of India The article has been subjected to intense debate and much discussion over the years Those who supported it cited Jammu and Kashmir s unique situation in 1947 while those who opposed it questioned how one nation could have two constitutions two flags and two sets of rules The naysayers also questioned its reductive aspects the denial of basic rights to the poor scheduled caste and scheduled tribe communities and women But whichever side one stood on the conventional belief for sixty five years since Independence was that Article 370 can never be repealed But then came 5 August 2019 when the supposedly impossible became a reality [370 Undoing the Unjust](#) A New Future for J K takes the reader through the minute and meticulous planning that ensured seamless execution of the decision Removing Article 370 not only needed strategic planning and political will but also mammoth logistical preparations Every single aspect would have to be addressed or else the region especially the Kashmir valley would plunge into chaos The book offers a glimpse of Prime Minister Narendra Modi s thought process insights into his leadership and most importantly his vision for Jammu and Kashmir By ensuring that Article 370 is repealed Prime Minister Modi altered the course of history But along with that he also fulfilled the decades old commitment of the Bharatiya Janata Party Deeply researched anecdotal and unputdownable this book fills the gaps on scholarship around an iconic moment of Indian history [Stages of Terror](#) Anthony Kubiak,1991 Every now and then a book comes along so startling in its ingenuity so crisp and invigorating in its perception and argument so revealing in its investigation of its subject matter that one is forced to reevaluate reconsider and restructure one s understanding and one s perspectives on theatre discourse and history Such a book is Anthony Kubiak s [Stages of Terror](#) Theatre Studies quite compelling It is rich and complete while leaving plenty of room for further development Text and Performance Quarterly Using Aristotle s Poetics as its point of departure Anthony Kubiak traces the forms or stages of terror as a cultural and performative principle through English Renaissance and Restoration plays through the modern and postmodern to contemporary terrorist theatres [The Terror Business](#) C. H. Rajahans,2002 [The Enemy of My Enemy](#) George Michael,2006 In the violent world of radical extremists the enemy of my enemy is my friend This study reveals how that precept plays out in the unexpected bonding between militant Islam and the extreme right in America and Europe It provides an insightful and sane look at the possibilities for collaboration between these groups [A War on Terror](#) Paul Rogers,2004-01-20 Radical critique of the war on terror by leading media commentator and peace scholar
