Wave Me Goodbye:

A Long Way Home Charles Granquist, 2010-04-01 The son of a World War I veteran Charles Granquist was 17 when war was declared with Germany in 1939 He lied about his age joined the infantry and was sent to Egypt Like so many other young men at the time Granquist did not know what to expect All he really cared about was doing his duty and serving his country He never even contemplated his chances of becoming a prisoner of war he was there to fight and take prisoners Captured by the Germans in Greece Granquist was determined to continue carrying the war to his captors any way I could In his memoir *A Long Way Home* he describes his shame at becoming a POW and how he believed he had failed himself his mates and as a soldier He orchestrated a remarkable five escape attempts all of which ended unsuccessfully Yet Charles refused to give up determined to fulfil his duty as an Aussie Digger and make his own small contribution to the war effort His story takes the reader on the rollercoaster of escape recapture and 196 days of solitary confinement before his eventual return home with his Russian war bride Granquist's account of his wartime experiences adds another important chapter to the story of World War II POWs while showcasing the spirit humour persistence and ingenuity expected of an Aussie Digger *A Long Way Home* is tribute to one veteran's spirit and the mateship he still holds so dear today **Into Dust and Fire**

Rachel S. Cox, 2013-04-02 A moving beautifully written tale Rachel Cox has produced a masterpiece of storytelling infused with romance danger adventure humor and heartbreaking loss It is hands down the best description of the transformation of untested young men into soldiers that I have ever read Lynne Olson New York Times Bestselling Author of *Last Hope Island* The untold story of five young American friends who left the ivory towers at Harvard and Dartmouth to take on Rommel's Panzers under the blazing sun of North Africa In the spring of 1941 with Europe consumed by war and occupation Britain stood alone against the Nazi menace The United States remained wary of joining the costly and destructive conflict But for five extraordinary young Americans the global threat of fascism was too great to ignore Six months before Pearl Harbor these courageous idealists left their promising futures behind to join the beleaguered British Army Fighting as foreigners they were shipped off to join the Desert Rats the 7th Armoured Division of the British Eighth Army who were battling Field Marshal Rommel's panzer division The Yanks would lead antitank and machine gun platoons into combat at the Second Battle of El Alamein the twelve day epic of tank warfare that would ultimately turn the tide for the Allies A fitting tribute to five men whose commitment to freedom transcended national boundaries *Into Dust and Fire* is a gripping true tale of idealism courage camaraderie sacrifice and heroism INCLUDES PHOTOS *White Privilege in Transition* Choo Lak

Yeow, 2023-04-20 The white privilege phenomenon arguably began when European countries started to colonize Africa the Americas Asia Australia New Zealand and the Pacific Islands White privilege is built on the twin towers of European colonizers exploiting their colonies human resources and stealing their natural resources to build up their ill gotten wealth Structured into their system white privilege perpetuates white supremacy Horrible examples of white privilege are

mentioned to show how white people dehumanized races in their colonies and stole their natural resources White privilege continues today in many parts of the world in various ways White privilege is a heresy because it is anti Bible It is blind to the fact that the iniquities of the colonizing fathers live on today in the very structures and systems governing the world It is an apostasy because it clearly denies the doctrine that all humans are created in God s image White Privilege in Transition is a frank assessment of the damage white privilege has done In a persuasive nonjudgmental way this work invites practitioners of white privilege to accept the fact that competition and survival today take place on a level playing field *At Close Quarters* Gerald Seymour,2014-03-27 From the author of Harry s Game A Sunday Times 100 best crime novels and thrillers since 1945 pick Peter Holt a young diplomat witnesses the horrific murder of his fiance and the British Ambassador within days of a new posting to the Soviet Union The report of the murder lands on the desk of a British Intelligence officer who suspects Palestinian involvement although the Russians insist that it was not a terrorist attack The British government are determined to extract revenge and Holt is the only man able to identify the assassin He is sent to the Lebanon and the perilous Beqa a Valley which serves as a stronghold for the most extreme guerilla groups Unauthorised access to the valley is virtually impossible and capture by the Syrian Army would result in torture and death His only company is Noah Crane an Israeli expert sniper who acts as his mentor and guide But when Syrian Intelligence learn of their presence their cover is blown And now it is too late to turn back *An Extra Pair of Hands* Kate Mosse,2021-06-03 Inspiring GUARDIAN Heartbreaking INDEPENDENT I loved it ADAM KAY Beautiful MATT HAIG Luminous NICCI GERRARD Essential reading MADELEINE BUNTING A celebration CHRISTIE WATSON A Best Book for Summer in The Times Guardian and The i Independent Book of the Month Caring is an issue that affects us all as bestselling novelist Kate Mosse knows all too well Kate has cared in turn for her father and mother and for Granny Rosie her 90 year old mother in law Along the way she has experienced the joys challenges and frustrations shared by an invisible army of carers At the heart of this care lie everyday acts of love and the realisation that sooner or later most of us will come to rely on an extra pair of hands Lifts the spirits without pulling punches IAN RANKIN Irresistible RACHEL JOYCE Questions how and why we fetishise independence when the reality of human experience is always interdependence GUARDIAN BOOK OF THE DAY Heartfelt funny and at times heartbreaking 10 10 INDEPENDENT Utterly beautiful FRANCESCA SEGAL *Wave Me Goodbye* Nancy Hower,Claire Forlani,199? **Dutch Treat** Tristan Jones,2000 The time is June 1940 Nazi panzer divisions are churning across northern Europe leaving ruin and demoralization in their wake A British commando team sneaks into Amsterdam and right under the nose of the advance units of the Wehrmacht steals the Dutch crown treasure from the Royal Palace and prepares to whisk it back to the safety of England Back cover *Wave Me Goodbye* Jacqueline Wilson,2018 **Berlin - volume 1 - The seven dwarves** Marvano,2013-05-07T00:00:00+02:00 An abandoned airfield in 1993 Two women exchange a 50 year old letter The year 1943 The crew of the Lancaster S Snowwhite is dropping bombs on Germany Seven men so young and yet so old before
