Syntax Morphology Interface A Study Of Syncretism

Susann Fischer, Christoph Gabriel

Syntax Morphology Interface A Study Of Syncretism:

The Syntax-Morphology Interface Matthew Baerman, Dunstan Brown, Greville G. Corbett, 2005-09-15 Syncretism where a single form serves two or more morphosyntactic functions is a persistent problem at the syntax morphology interface. It results from a mismatch whereby the syntax of a language makes a particular distinction but the morphology does not. This pioneering book provides a full length study of inflectional syncretism presenting a typology of its occurrence across a wide range of languages. The implications of syncretism for the syntax morphology interface have long been recognised; it argues either for an enriched model of feature structure thereby preserving a direct link between function and form or for the independence of morphological structure from syntactic structure. This book presents a compelling argument for the autonomy of morphology and the resulting analysis is illustrated in a series of formal case studies within Network Morphology. It will be welcomed by all linguists interested in the relation between words and the larger units of which they are a part.

The Oxford Handbook of Inflection Matthew Baerman, 2015-07-30 This is the latest addition to a group of handbooks covering the field of morphology alongside *The Oxford Handbook of Case* 2008, *The Oxford Handbook of Compounding* 2009 and *The Oxford Handbook of Derivational Morphology* 2014. It provides a comprehensive state of the art overview of work on inflection: the expression of grammatical information through changes in word forms. The volume's 24 chapters are written by experts in the field from a variety of theoretical backgrounds with examples drawn from a wide range of languages. The first part of the handbook covers the fundamental building blocks of inflectional form and content: morphemes, features and means of exponence. Part 2 focuses on what is arguably the most characteristic property of inflectional systems: paradigmatic structure and the non-trivial nature of the mapping between function and form. The third part deals with change and variation over time and the fourth part covers computational issues from a theoretical and practical standpoint. Part 5 addresses psycholinguistic questions relating to language acquisition and neurocognitive disorders. The final part is devoted to sketches of individual inflectional systems illustrating a range of typological possibilities across a genetically diverse set of languages from Africa, Asia and the Pacific, Australia, Europe and South America.

Manual of Grammatical Interfaces in Romance Susann Fischer, Christoph Gabriel, 2016-09-12 Different components of grammar interact in non-trivial ways. It has been under debate what the actual range of interaction is and how we can most appropriately represent this in grammatical theory. The volume provides a general overview of various topics in the linguistics of Romance languages by examining them through the interaction of grammatical components and functions as a state of the art report but at the same time as a manual of Romance languages.

The Blackwell Companion to Phonology, 5 Volume Set Marc van Oostendorp, 2011-04-04 Available online or as a five volume print set. *The Blackwell Companion to Phonology* is a major reference work drawing together 124 new contributions from leading international scholars in the field. It will be indispensable to students and researchers in the field for years to come.

Key Features Full

explorations of all the most important ideas and key developments in the field Documents major insights into human language gathered by phonologists in past decades highlights interdisciplinary connections such as the social and computational sciences and examines statistical and experimental techniques Offers an overview of theoretical positions and ongoing debates within phonology at the beginning of the twenty first century An extensive reference work based on the best and most recent scholarly research ideal for advanced undergraduates through to faculty and researchers Publishing simultaneously in print and online visit www.companiontophonology.com for full details Additional features of the online edition ISBN 978 1 4443 3526 2 Powerful searching browsing and cross referencing capabilities including Open URL linking with all entries classified by key topic subject place people and period For those institutions already subscribing to Blackwell Reference Online it offers fully integrated and searchable content with the comprehensive Handbooks in Linguistics series

Exploring Nanosyntax Lena Baunaz, Karen De Clercq, Liliane M. V. Haegeman, Eric Lander, 2018 Exploring Nanosyntax is the first in depth introduction to the framework of nanosyntax Deploying the cartographic one feature one head maxim the framework decomposes morphosyntactic structure laying bare the building blocks of the universal functional sequence This volume presents the framework's constitutive tools and principles and explains how nanosyntax relates to cartography and to Distributed Morphology It also illustrates how nanosyntactic tools and principles can be applied to a range of empirical domains of natural language Comprising twelve original contributions by leaders of the field the volume provides a range of cross linguistic investigations that contribute to a better understanding of the functional sequence Book jacket

Number in the World's Languages Paolo Acquaviva, Michael Daniel, 2022-06-21 The strong development in research on grammatical number in recent years has created a need for a unified perspective The different frameworks the ramifications of the theoretical questions and the diversity of phenomena across typological systems make this a significant challenge This book addresses the challenge with a series of in depth analyses of number across a typologically diverse sample unified by a common set of descriptive and analytic questions from a semantic morphological syntactic and discourse perspective Each case study is devoted to a single language or in a few cases to a language group They are written by specialists who can rely on first hand data or on material of difficult access and can place the phenomena in the context of the respective system The studies are preceded and concluded by critical overviews which frame the discussion and identify the main results and open questions With specialist chapters breaking new ground this book will help number specialists relate their results to other theoretical and empirical domains and it will provide a reliable guide to all linguists and other researchers interested in number

Annual Workshop on Formal Approaches to Slavic Linguistics Wayles Browne, Miloje Despić, Naomi Enzina, Simone Harmath-de Lemos, Robin Karlin, Draga Zec, 2018 The present volume consists of 16 peer reviewed revised and edited versions of papers presented at the twenty fifth annual meeting of Formal Approaches to Slavic Linguistics held at Cornell University Ithaca New York May 13 15 2016

Inflectional Economy and Politeness Suzanne Pauline Aalberse, 2009

The Use of Databases in Cross-linguistic Studies Martin Everaert, Simon Musgrave, Alexis Dimitriadis, 2009 The series is a platform for contributions of all kinds to this rapidly developing field General problems are studied from the perspective of individual languages language families language groups or language samples Conclusions are the result of a deepened study of empirical data Special emphasis is given to little known languages whose analysis may shed new light on long standing problems in general linguistics *Encyclopedia of Language & Linguistics* E. K. Brown, 2006 **Studies in Language**, 2006 **Working Papers in Linguistics**, 2007 **The Prague Bulletin of Mathematical Linguistics**, 2007

Linguistics and Language Behavior Abstracts, 2009 **Deponency and Morphological Mismatches** Matthew Baerman, 2007-11-15 This collection of essays by leading linguists on the theory and typology of mismatches between syntax and morphology will establish the important role that research on deponency has to play in contemporary linguistics and set the standard for future work *Journal of Linguistics*, 2017 **Proceedings of the British Academy**, 2010 **Papers on Ancient Greek Linguistics** Martti Leiwo, Marja Vierros, Sonja Dahlgren, 2020 This volume is a collection of twenty nine papers that had their preliminary presentation at the 9th International Colloquium on Ancient Greek Linguistics ICAGL9 that took place in Helsinki 28 August 1 September 2018 Thus they show exciting new lines of research in the field of Ancient Greek linguistics where many approaches take advantage of current linguistic methods and theories 00The Helsinki colloquium had two themes 1 Language contact between Greek and other languages and 2 Linguistic research on original documents and manuscripts The majority of the papers in this volume focus on these themes many of them on both However Ancient Greek linguistic research from all angles synchronically as well as diachronically studied was welcomed Consequently all levels and many topics regarding language analysis morphology syntax modality discourse analysis semantics as well as pragmatics were presented in the contributions by scholars ranging from those beginning their academic careers to those with already well established names in the field **Language** George Melville Bolling, Bernard Bloch, 2010 **Defective Paradigms** Matthew Baerman, Greville G. Corbett, Dunstan Brown, 2010-05-20 Deponency and Morphological Mismatches edited by Matthew Baerman Greville G Corbett Dunstan Brown Andrew Hippisley

Discover tales of courage and bravery in Explore Bravery with is empowering ebook, Stories of Fearlessness: **Syntax Morphology Interface A Study Of Syncretism** . In a downloadable PDF format (Download in PDF: *), this collection inspires and motivates. Download now to witness the indomitable spirit of those who dared to be brave.

Syntax Morphology Interface A Study Of Syncretism Introduction

Syntax Morphology Interface A Study Of Syncretism Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Syntax Morphology Interface A Study Of Syncretism Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Syntax Morphology Interface A Study Of Syncretism : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Syntax Morphology Interface A Study Of Syncretism : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Syntax Morphology Interface A Study Of Syncretism Offers a diverse range of free eBooks across various genres. Syntax Morphology Interface A Study Of Syncretism Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Syntax Morphology Interface A Study Of Syncretism Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Syntax Morphology Interface A Study Of Syncretism, especially related to Syntax Morphology Interface A Study Of Syncretism, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Syntax Morphology Interface A Study Of Syncretism, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Syntax Morphology Interface A Study Of Syncretism books or magazines might include. Look for these in online stores or libraries. Remember that while Syntax Morphology Interface A Study Of Syncretism, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Syntax Morphology Interface A Study Of Syncretism eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Syntax Morphology Interface A Study Of Syncretism full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Syntax Morphology Interface A Study Of Syncretism eBooks, including some popular titles.

FAQs About Syntax Morphology Interface A Study Of Syncretism Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Syntax Morphology Interface A Study Of Syncretism is one of the best book in our library for free trial. We provide copy of Syntax Morphology Interface A Study Of Syncretism in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Syntax Morphology Interface A Study Of Syncretism. Where to download Syntax Morphology Interface A Study Of Syncretism online for free? Are you looking for Syntax Morphology Interface A Study Of Syncretism PDF? This is definitely going to save you time and cash in something you should think about.
