The Terminal Generation Hal Lindsey with C.C. Carlson, **The Terminal Generation** Hal Lindsey, C. C. Carlson, 1981-02-01 [Terminal Generation](#) MR Hal Lindsey, 1981-09-01 **The Terminal Generation** Gary King, 2016-04-02 This book is a fresh look at the subject of eschatology which is the study of end time prophetic events. It is not locked into the traditional thinking and teachings espoused in the last two hundred years. The views expressed in this book are the result of a comparison of what Jesus taught on this subject through the Old Testament prophets, what Jesus taught on this important subject while He was on the earth, and what Jesus taught from heaven to His apostles after His ascension. The basic premise embraced while comparing these is that what Jesus taught in the Old Testament or what He taught while on the earth or what He taught after His ascension would never contradict one another. What Jesus taught on earth was spoken in plain earthly language, whereas much of the other teachings were generally spoken in parabolic language in heavenly figurative language. In interpreting parabolic language, there can be numerous possibilities as to God's intended meaning. However, many of these possibilities can be eliminated by comparing them with what Jesus taught plainly during His earthly ministry. Any interpretation that contradicts what Jesus taught in the Olivet Discourse cannot be the intended meaning of that which He taught in any of the prophetic books of the Bible, such as Daniel, Isaiah, Joel, or Revelation. This book is not intended to rehash the popular traditional teachings of our day on eschatology, but rather to open up the minds of the readers to explore and consider concepts and views that lie outside of the box of the commonly accepted teachings being taught to this present generation. God's Word declares that some of these prophetic things will be sealed or hidden from man until the last days of this age. However, God promises to reveal that which has been hidden to the last day terminal generation.

The Puppet Master of Islam Richard Bennett, 2022-09-01 To understand the dangers imposed upon the world by Allah, Muhammad, and the angel of light, you must look at Islam through the eyes of Christianity. Hal Lindsey, one of the true futurist preachers of our time, wrote in *The Late Great Planet Earth* that there are only two sources of the supernatural: The God of the Bible followed by Christians, and the god of this world followed by Muslims, who is described as an angel of light. 2 Corinthians 11:14. This is the angel that visited Muhammad and introduced Allah into the world. In the beginning, Muhammad thought he was possessed. He spent years convincing himself that he was not. Many, however, believe that what Muhammad suspected about demonic possession may be true. It took a great deal of persuasion by Muhammad's first wife, Khadija, to convince him that his encounter may have been divine, as opposed to demonic in origin. She was instrumental in the birth of the prophet becoming a reality. Discover the evil of Islam and how we know that the apparition that spoke to Muhammad was likely an evil spirit in *The Puppet Master of Islam* [The Terminal Generation](#) R.C.
